## CATEGORY 1 CREDITS

- Review Course and Cadaver Workshop up to 21 hours
- Controlled Substance Management up to 15.5 hours

## DATE:

February 26-28, 2010

## LOCATION:

Memphis, Tennessee

## HOTEL & COURSE LOCATION:

The Peabody Memphis  
149 Union Ave  
Memphis, TN 38103  
901-529-4164

## CADAVER WORKSHOP LOCATION:

Medical Education & Research Institute  
44 South Cleveland, Memphis, TN 38104

## SPECIALS

- Special room rates until February 3, 2010
- 75% Off Meeting Fee to Fellows & Residents
- 50% Off Interventional Techniques In Chronic Spinal Pain.
- 50% Off Interventional Techniques In Chronic Non-Spinal Pain
- Register for both February and April courses and receive 20% or more off the course rates

#### FROM THE CHAIRMAN

On behalf of the American Society of Interventional Pain Physicians and the ASIPP Board of Directors, I am pleased to offer two unique educational events that can assist you in furthering your knowledge-base and skills in the specialty of Interventional Pain Management. These unique courses are designed for and dedicated to offering the highest level of education, training, and measurement of skills in our goal to provide better care and access for our patients.

The **Comprehensive Review Course and Cadaver Workshop** and the **Comprehensive Review Course in Controlled Substance Management** are both designed to meet the unique needs of interventional pain physicians. With our excellent participant/instructor ratio, you will have the opportunity for personal interaction with our highly distinguished faculty of world-renowned teachers and lecturers, creating a thorough and compelling educational experience.

During the 2½-day **Comprehensive Review Course and Cadaver Workshop**, you can improve existing skills and/or learn new techniques. Whether you have been practicing interventional pain management for many years or are new to the field with basic skills, we are confident you will find this course and workshop to be beneficial – as it is essential that we continue learning and exploring new procedures and techniques in our specialty.

The **Comprehensive Review Course in Controlled Substance Management** is not only an essential element in Interventional Pain Management, but also beneficial to you as a physician and to your practice. Controlled substance management is an area which is critical to our field yet one in which few have adequate training. In today's environment of ever-changing regulations and litigations, we cannot afford to ignore this important and complex subject. On Sunday, February 28th, we offer the opportunity for you to sit for the American Board of Interventional Pain Physicians Competency Examination. By successfully completing the controlled substance management competency examination, you are demonstrating to your colleagues, patients, insurers, payors, etc. that you understand the complexities of this aspect of our unique specialty.

We are confident that you will benefit from this exceptional opportunity for professional enhancement. The seminars will be conducted at The Peabody Hotel in Downtown Memphis and at the Medical Education and Research Institute (MERI) in Memphis, TN. Make your plans early to attend. We look forward to seeing you in Memphis. If you have any questions, please feel free to contact me at 2831 Lone Oak Road, Paducah, KY 42003, phone: 270-554-8373 ext. 101, fax: 270-554-5394, or e-mail: [drm@asipp.org](mailto:drm@asipp.org)

Sincerely,

Laxmaiah Manchikanti, MD  
Chief Executive Officer and Chairman of the Board, ASIPP

# Comprehensive Didactic Review Course and Cadaver Workshop

(BASIC, INTERMEDIATE, AND COMPREHENSIVE INTERVENTIONAL PAIN MANAGEMENT EXAMINATION PREPARATION COURSE)

FEB 26-28, 2010  
MEMPHIS, TN

## Description

This 2½-day review course and workshop is designed for interventional pain physicians, for a review, skills improvement or to assist in preparation for Comprehensive Interventional Pain Management Examination qualifications. ASIPP offers the most in-depth, comprehensive, and individualized programs available in interventional pain management, featuring maximum hands-on training with cadavers in a state-of-the-art facility and maximum ability to interact with other participants. Participants will experience a comprehensive and intense learning opportunity, focusing on interventional pain management techniques.

## Accommodations

### The Peabody Memphis

149 Union Ave, Memphis TN 38103 USA  
Phone 1-901-529-4000

Inform the agent that you are booking for American Society of Interventional Pain Physicians. We have secured a group room rate of \$175. Reserve rooms early—all unbooked rooms will be released February 3, 2010.

### Cadaver Workshop Site

#### Medical Education & Research Institute

44 South Cleveland, Memphis, TN 38104  
MERI is a non-profit institute located in the heart of the downtown medical center in Memphis, Tennessee. The 27,000-square-

- Each cadaver station is limited to a maximum of 8 participants.
- Participants can choose the level of participation: basic, intermediate, or Comprehensive Interventional Pain Management Examination Preparation Course.
- C-arms and state-of-the-art equipment are utilized in this course. Participants are requested to dress in casual attire or scrubs. Leaded aprons and thyroid shields will be provided. However, participants are advised to bring their own protective eyewear.

## Outcome

Physicians should be able to integrate multiple aspects of interventional pain management techniques in patient treatments so that patients have better outcomes and reduced side effects.

## Accreditation Statement

The February workshop is a CME activity that has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education through the Joint Sponsorship of the Institute for Medical Studies and the American Society of Interventional Pain Physicians. The Institute for Medical Studies is accredited by the ACCME to provide continuing medical education for physicians.

## Americans with Disabilities Act & Special Services

Organizers fully comply with the legal requirements of the Americans with Disabilities Act and the rules and regulations thereof. If any participant in these educational activities is in need of accommodations, please contact the organizers at (270) 554-9412 at least 10 days prior to each conference.

foot facility houses 3 anatomic teaching laboratories; 7 private, high-security research suites; and an auditorium equipped with the most state-of-the-art audiovisual systems available.

## Category I Credit™

The Institute for Medical Studies will determine these educational activities for up to 21 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

## Target Audience/Purpose

This intensive review course is planned as a CME activity for interventional pain physicians—for review, skills improvement or to assist in preparation for the Comprehensive Interventional Pain Management Examination qualifications.

The ASIPP Cadaver Workshop in basic, intermediate and the special section for Comprehensive Interventional Pain Management Examination Preparation are designed for interventional pain physicians. The workshop is offered to improve the delivery of multiple aspects of interventional pain management. The desired outcome is to integrate multiple aspects of interventional pain management in treating your patients so that patients have better outcomes and reduced side effects. Subjects and procedures are listed below.

**No duplication or distribution of materials, or recording of lectures associated.**

*There is no commercial support for this course.*

## LAB COURSE LEVELS

### BASIC

1. Caudal epidural injections
2. Lumbar interlaminar epidural injections
3. Lumbar transforaminal epidural injections
4. Sacroiliac joint injections

5. Lumbar facet joint intraarticular injections
6. Lumbar facet joint nerve blocks
7. Lumbar facet radiofrequency neurotomy

### INTERMEDIATE

1. Lumbar discography
2. Lumbar sympathetic blocks and hypogastric plexus blocks
3. Celiac plexus blocks and splanchnic nerve blocks
4. Cervical and thoracic interlaminar epidurals

5. Thoracic facet interventions (intraarticular, medial branch blocks, and radiofrequency neurotomy)
6. Cervical facet joint interventions (intraarticular, medial branch blocks, and radiofrequency neurotomy)
7. Percutaneous adhesiolysis

### COMPREHENSIVE INTERVENTIONAL PAIN MANAGEMENT EXAMINATION

1. Caudal epidural, interlaminar epidural, and percutaneous adhesiolysis
2. Lumbar transforaminal and lumbar discography
3. Lumbar facet joint interventions (intraarticular, facet joint nerve blocks, and radiofrequency neurotomy) and sacroiliac joint injections
4. Thoracic facet joint interventions (medial branch blocks and radiofrequency neurotomy) and thoracic interlaminar epidural injections

5. Cervical facet joint interventions (medial branch blocks and radiofrequency neurotomy) and cervical interlaminar epidural injections
6. Spinal cord stimulation lead placement
7. Sympathetic blockade (stellate ganglion, lumbar sympathetic blocks and celiac plexus blocks)

COMPREHENSIVE DIDACTIC REVIEW COURSE

**FRIDAY FEBRUARY 26, 2010**

7:00am-8:00am	<b>REGISTRATION</b>	
8:00am-8:45am	Introduction to ASIPP and Board Preparation Review	Laxmaiah Manchikanti, MD
8:45am-9:30am	Imaging for Interventionalists – Fluoroscopy, Radiation Safety, and Needle Placement	Ramsin M. Benyamin, MD
9:30am-10:15am	An Algorithmic Approach to interventional Pain Management: Evidence Based or Comparative Effectiveness?	Laxmaiah Manchikanti, MD
10:15am-10:30am	<b>BREAK</b>	
10:30am-6:15pm	<b>BREAKOUT SESSIONS</b> The schedules for the three breakout sessions; Basic, Intermediate, and Comprehensive IPM Exam Prep can be found on the following page. Each breakout session will share the early schedule above.	

# Comprehensive Didactic Review Course and Cadaver Workshop

(BASIC, INTERMEDIATE, AND COMPREHENSIVE INTERVENTIONAL PAIN MANAGEMENT EXAMINATION PREPARATION COURSE)

FEB 26-28, 2010  
MEMPHIS, TN

## COMPREHENSIVE DIDACTIC REVIEW COURSE FRIDAY FEBRUARY 26, 2010

BREAKOUT SESSIONS			
	BASIC	INTERMEDIATE	IPM EXAM PREP
10:30am–11:30am	Caudal Epidural Injections: Relevant Anatomy, Technical Aspects, Complications, Evidence and Patient Selection <b>Vikram B. Patel, MD</b>	Lumbar Discography: Relevant Anatomy, Technical Aspects, Complications, Evidence and Patient Selection <b>Ramsin M. Benyamin, MD</b>	Caudal Epidural, Lumbar Interlaminar Epidural, and Percutaneous Adhesiolysis: Relevant Anatomy, Technical Aspects, Complications, and Patient Selection <b>Standiford Helm, MD</b>
11:30am–12:30pm	Lumbar Interlaminar Epidural injections: Relevant Anatomy, Technical Aspects, Complications, Evidence and Patient Selection <b>Hans Hansen, MD</b>	Lumbar Sympathetic and Hypogastric Plexus Blocks: Relevant Anatomy, Technical Aspects, Complications, Evidence and Patient Selection <b>Sukdeb Datta, MD</b>	Lumbar Transforaminal Epidural and Lumbar Discography: Relevant Anatomy, Technical Aspects, Complications, and Patient Selection <b>Ricardo Vallejo, MD</b>
12:30pm–1:30pm	LUNCH		
1:30pm–2:30pm	Sacroiliac Joint Injections: Relevant Anatomy, Technical Aspects, Complications, Evidence and Patient Selection <b>Sukdeb Datta, MD, DABIPP</b>	Celiac Plexus and Splanchnic Nerve Blocks: Relevant Anatomy, Technical Aspects, Complications, Evidence and Patient Selection <b>Vikram Patel, MD</b>	Lumbar Facet Joint Interventions (Intraarticular, Facet Joint Nerve Blocks, and Radiofrequency Neurotomy) and Sacroiliac Joint Injections: Relevant Anatomy, Technical Aspects, Complications, and Patient Selection <b>Hans Hansen, MD</b>
2:30pm–3:30pm	Lumbar Transforaminal Epidural Injections: Relevant Anatomy, Technical Aspects, Complications, Evidence and Patient Selection <b>Ramsin M. Benyamin, MD</b>	Cervical and Thoracic Interlaminar Epidurals: Relevant Anatomy, Technical Aspects, Complications, Evidence and Patient Selection <b>Standiford Helm, MD</b>	Thoracic Facet Joint Interventions (Medial Branch Blocks and Radiofrequency Neurotomy) and Thoracic Interlaminar Epidural Injections: Relevant Anatomy, Technical Aspects, Complications, and Patient Selection <b>David Bryce, MD</b>
3:30pm–4:15pm	Lumbar Facet Joint Interventions: Relevant Anatomy, Technical Aspects, Complications, Evidence and Patient Selection <b>Ricardo Vallejo, MD</b>	Thoracic Facet Joint Interventions (Intraarticular, Medial Branch Blocks, and Radiofrequency Neurotomy): Relevant Anatomy, Technical Aspects, Complications, Evidence and Patient Selection <b>Hans Hansen, MD</b>	Cervical Facet Joint Interventions (Medial Branch Blocks and Radiofrequency Neurotomy) and Cervical Interlaminar Epidural Injections: Relevant Anatomy, Technical Aspects, Complications, and Patient Selection <b>Ramsin M. Benyamin, MD</b>
4:15am–4:30am	BREAK		
4:30pm–5:30pm	Troubleshooting and Complications for Beginners <b>Ramsin M. Benyamin, MD</b>	Cervical Facet Joint Interventions (intraarticular, medial branch blocks, and radiofrequency neurotomy): Relevant Anatomy, Technical Aspects, Complications, Evidence and Patient Selection <b>Sukdeb Datta, MD</b>	Spinal Cord Stimulation Lead Placement: Relevant Anatomy, Technical Aspects, Complications, and Patient Selection <b>Ricardo Vallejo, MD</b>
5:30pm–6:15pm	Panel Discussion: <b>Moderator:</b> <b>Mark V. Boswell, MD PhD</b>  <b>All Faculty</b>	Percutaneous Adhesiolysis: Relevant Anatomy, Technical Aspects, Complications, Evidence and Patient Selection <b>Standiford Helm, MD</b>	Sympathetic Blockade (Stellate ganglion, lumbar Sympathetic Blocks and Celiac Plexus Blocks) : Relevant Anatomy, Technical Aspects, Complications, and Patient Selection <b>David Bryce, MD</b>

**HANDS-ON CADAVER WORKSHOP**  
**SATURDAY, FEBRUARY 27, 2010**

6:45am-7:00am	Shuttles depart from Hotel to MERI facility	
7:00am-7:45am	Registration and Breakfast	
7:45am-8:15am	Introduction	Ramsin M. Benyamin, MD
8:30am-1:00pm	<b>Hands-on Cadaver Workshop</b> Participants rotate through multiple stations	
1:00pm-2:00pm	Lunch (provided)	
2:00pm-5:00pm	<b>Hands-on Cadaver Workshop</b> Participants rotate through multiple stations	

**HANDS-ON CADAVER WORKSHOP**  
**SUNDAY, FEBRUARY 28, 2010**

6:45am-7:00am	Shuttles depart from Hotel to MERI facility	
7:00am-7:45am	Registration and Breakfast	
7:45am-8:15am	Introduction	Hans Hansen, MD
8:30am-12:15pm	<b>Hands-on Cadaver Workshop</b> Participants rotate through multiple stations	
12:15pm	Meeting Adjournment	

# Registration Form

**REGISTRATION INFORMATION**

Please complete the enclosed registration form and return to ASIPP with payment (your application will not be processed if payment does not accompany registration form). ASIPP reserves the right to cancel this Workshop and/or Review Preparation Course upon reasonable notice and will assume no financial obligation to registrants for cancellation of the course for reasons beyond its control. Registration fees will be refunded. However, costs incurred by the registrants, such as airline or hotel fees or penalties, are the responsibility of the registrants.

**Registrants who are not accepted into this workshop will receive notice by mail with their returned checks.**

**IMPORTANT:** Please answer all the questions:

**Primary Specialty Certification:**

- Anesthesiology     Psychiatry  
 Neurosurgery     Other: \_\_\_\_\_

**Pain Medicine Subspecialty Certification:**

- American Board of Anesthesiology  
 American Board of Pain Medicine  
 American Board of Interventional Pain Physicians  
 Fellow of Interventional Pain Practice (FIPP)

**Specialty Designation:**

- 09 - Interventional Pain Management  
 72 - Pain Management  
 Other: \_\_\_\_\_

**Percentage of Interventional Pain Management practice:**

- 0%    1-25%    26-50%    51-75%    > 75%

**Years in Interventional Pain Management practice:**

- 0    0-1    6-10    > 10

**Please select one of the following:**

- Basic    Intermediate    IPM Exam Prep

**Total number of procedures performed during past year:**

**CANCELLATION POLICY:**

ASIPP reserves the right to cancel this course upon reasonable notice and will assume no financial obligation to registrants for cancellation for reasons beyond its control. Registration fees will be refunded. However, costs incurred by the registrants, such as airline or hotel fees or penalties, are the responsibility of the registrants. Registrants who are not accepted into this course will receive notice by mail with their returned check. ASIPP requires a 30-day notice of cancellation. Cancellations must be submitted in writing and received by January 27, 2010. An administrative fee of \$200 will be assessed. Cancellations after January 27, 2010 but prior to February 15, 2010, will forfeit 50% of their registration fee. No cancellations accepted after February 15, 2010. Refunds will be sent after the conclusion of the meeting.

# Controlled Substance Management

## COMPREHENSIVE REVIEW COURSE

### Statement of Need

This two-day comprehensive review course is planned as a CME activity to prepare for competency certification or an in-depth review in areas of controlled substance management. This review course is based on the American Board of Interventional Pain Physicians' specifications for competency certification examinations.

The course will provide an in-depth evaluation of the knowledge of the participants with extensive review of subject(s). As part of this comprehensive, in-depth, two day review course, ASIPP will provide participants with a syllabus with outlines of the lectures and accompanying questions.

### Educational Objectives/Target Audience

This two day comprehensive review course is intended to present interventional pain management specialists, nurses, and other healthcare providers an in-depth review in the area of Controlled Substance Management as it pertains to Interventional Pain Management.

Educational objectives for Controlled Substance Management:

- Review basic science and core concepts
- Discuss pharmacology
- Identify clinical use and effectiveness
- Identify substance abuse
- Discuss topics with documentation, regulatory issues, legal issues, and ethical issues

### Outcome

Physicians will learn to operate comprehensive interventional pain care centers more efficiently, so that patients will receive the best care available.

### Americans with Disabilities Act & Special Services

Organizers fully comply with the legal requirements of the Americans with Disabilities Act and the rules and regulations thereof. If any participant in this educational activity is in need of accommodations, please contact the organizers at (270) 554-9412 at least 10 days prior to the conference.

### Accommodations

#### The Peabody Memphis

149 Union Ave, Memphis TN  
38103 USA

Phone 1-901-529-4000

Inform the agent that you are booking for American Society of Interventional Pain Physicians. We have secured a group room rate of \$175. Reserve rooms early—all unbooked rooms will be released February 3, 2010.

### Accreditation Statement

This CME activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education through the Joint Sponsorship of the Institute for Medical Studies and the American Society of Interventional Pain Physicians. The Institute for Medical Studies is accredited by the ACCME to provide continuing medical education for physicians.

### Controlled Substance Management

#### Category I Credit

The Institute for Medical Studies will designate this educational activity for 15.5 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

*No duplication or distribution of materials, or recording of lectures associated.*

*There is no commercial support for this course.*
