Comprehensive Review Course and Cadaver Workshop
(BASIC, INTERMEDIATE, AND COMPREHENSIVE INTERVENTIONAL PAIN
MANAGEMENT EXAMINATION PREPARATION COURSE)

On behalf of the Board of the Directors of the American Society of Interventional Pain Physicians, it is my privilege and pleasure to invite you to attend an exciting, and focused Comprehensive Review Course and Cadaver Workshop and **Comprehensive Review Course in Controlled Substance Management** on April 23-25, 2010 in Memphis, TN, or the **Documentation for Dummies: Practical Documentation, Billing, Coding, and Compliance for Interventional Pain Practices** course April 23-24, 2010.

This intensive review course and comprehensive cadaver workshop is planned as a CME activity to prepare physicians seeking board certification by ABIPP, and/or as an in-depth review of interventional techniques. Participants will experience a comprehensive and intense learning opportunity; focusing on basic, intermediate, and Comprehensive Interventional Pain Management Examination Preparation techniques. During this 2½-day event you can improve existing skills, learn new skills, prepare for the interventional techniques certification examination, or prepare for the board examination.

The **Documentation for Dummies: Practical Documentation, Billing, Coding, and Compliance for Interventional Pain Practices** is not only an essential element in Interventional Pain Management, but also beneficial to you as a physician and to your practice. Coding, compliance, and practice management are areas which are critical to our field yet ones in which few have adequate training. In today's environment of ever-changing regulations and litigations, we cannot afford to ignore these important and complex subjects.

Whether you have been practicing interventional pain management for many years or are new to the field with basic skills, we are confident you will find this review course and cadaver workshop to be beneficial, as it is essential to learn new and relevant information to survive in the new millennium.

The seminar will be conducted at the Peabody Memphis and the world famous Medical Education and Research Institute (MERI) in Memphis, TN. Make your plans early to attend. We look forward to seeing you in Memphis. If you have any questions, please feel free to contact me at 2831 Lone Oak Road, Paducah, KY 42003, phone: 270-554-8373 ext. 101, fax: 270-554-8987, or e-mail: drm@asipp.org

Thank you,

Laxmaiah Manchikanti, MD

Comprehensive Review Course and Cadaver Workshop
(BASIC, INTERMEDIATE, AND COMPREHENSIVE INTERVENTIONAL PAIN
MANAGEMENT EXAMINATION PREPARATION COURSE)

APRIL 23-25, 2010
MEMPHIS, TN

Description

This 2½-day review course and workshop is designed for interventional pain physicians, for a review, skills improvement or to assist in preparation for Comprehensive Interventional Pain Management Examination qualifications. It is the most in-depth, comprehensive, and individualized program available in interventional pain management, featuring maximum hands-on training with cadavers in a state-of-the-art facility and maximum ability to interact with other participants. Participants will experience a comprehensive and intense learning opportunity, focusing on interventional pain management techniques.

- Each cadaver station is limited to a maximum of 8 participants.
- Participants can choose the level of participation: basic, intermediate, or Comprehensive Interventional Pain Management Examination Preparation Course.
- C-arms and state-of-the-art equipment are utilized in this course. Participants are requested to dress in casual attire or scrubs. Leaded aprons and thyroid shields will be provided. However, participants are advised to bring their own protective eyewear.

Outcome

Physicians should be able to integrate multiple aspects of interventional pain management techniques in patient treatments so that patients have better outcomes and reduced side effects.

Accreditation Statement

This CME activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education through the Joint Sponsorship of the Institute for Medical Studies and the American Society of Interventional Pain Physicians. The Institute for Medical Studies is accredited by the ACCME to provide continuing medical education for physicians.

Americans with Disabilities Act & Special Services

Organizers fully comply with the legal requirements of the Americans with Disabilities Act and the rules and regulations thereof. If any participant in this educational activity is in need of accommodations, please contact the organizers at (270) 554-9412 at least 10 days prior to the conference.

Accommodations

The Peabody Memphis

149 Union Ave, Memphis TN 38103 USA
Phone 1-901-529-4000

Inform the agent that you are booking for American Society of Interventional Pain Physicians. We have secured a group room rate of \$175. Reserve rooms early—all unbooked rooms will be released March 30, 2010.

There is no commercial support for this course.

Cadaver Workshop Site

Medical Education & Research Institute

44 South Cleveland, Memphis, TN 38104

MERI is a non-profit institute located in the heart of the downtown medical center in Memphis, Tennessee. The 27,000-square-foot facility houses 3 anatomic teaching laboratories; 7 private, high-security research suites; and an auditorium equipped with the most state-of-the-art audiovisual systems available.

Category I Credit™

The Institute for Medical Studies designates this educational activity for a maximum of 20.5 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Target Audience/Purpose

This intensive review course is planned as a CME activity for interventional pain physicians—for review, skills improvement or to assist in preparation for the Comprehensive Interventional Pain Management Examination qualifications.

The ASIPP Cadaver Workshop in basic, intermediate and a special section for Comprehensive Interventional Pain Management Examination Preparation is designed for interventional pain physicians. The workshop is offered to improve the delivery of multiple aspects of interventional pain management. The desired outcome is to integrate multiple aspects of interventional pain management in treating your patients so that patients have better outcomes and reduced side effects. Subjects and procedures are as follows:

Cadaver Lab – Saturday and Sunday

LAB COURSE LEVELS

BASIC

- | | |
|---|---|
| <ol style="list-style-type: none"> 1. Caudal epidural injections 2. Lumbar interlaminar epidural injections 3. Lumbar transforaminal epidural injections 4. Documentation for Dummies

PRACTICAL DOCUMENTATION, BILLING, CODING, AND COMPLIANCE FOR INTERVENTIONAL PAIN PRACTICES

APRIL 23-25, 2010
MEMPHIS, TN

Statement of Need

This two-day comprehensive review course is planned as a CME activity to prepare for competency certification or an in-depth review in areas of Documentation, Billing, Coding, and Compliance for Interventional Pain Practices. This review course is based on the American Board of Interventional Pain Physicians' specifications for competency certification examinations.

The course will provide an in-depth evaluation of the knowledge of the participants with extensive review of subject(s). As part of this comprehensive, in-depth, two-day review course, ASIPP will provide participants with a syllabus with outlines of the lectures and accompanying questions.

Educational Objectives/Target Audience

This two-day comprehensive review course is intended to present interventional pain management specialists, nurses, and other healthcare providers an in-depth review in the area of Documentation, Billing, Coding, and Compliance as it pertains to Interventional Pain Management.

Educational objectives for Documentation, Billing, Coding and Compliance:

- Discuss documentation
- Review practice management topics
- Discuss coding and billing
- Examine compliance issues

Outcome

Physicians will learn to operate comprehensive interventional pain care centers more efficiently, so that patients will receive the best care available.

Americans with Disabilities Act & Special Services

Organizers fully comply with the legal requirements of the Americans with Disabilities Act and the rules and regulations thereof. If any participant in this educational activity is in need of accommodations, please contact the organizers at (270) 554-9412 at least 10 days prior to the conference.

Accreditation Statement

This CME activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education thru the Joint Sponsorship of the Institute for Medical Studies and the American Society of Interventional Pain Physicians. The Institute for Medical Studies is accredited by the ACCME to provide continuing medical education for physicians.

Documentation, Billing, Coding and Compliance Category I Credit

The Institute for Medical Studies designates this educational activity for a maximum of 16 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

AAPC Continuing Education Units

This program/publication subscription/etc. has prior approval of the American Academy of Professional Coders for 15.0 Continuing Education Units. Granting of this approval in no way constitutes endorsement by the Academy of the program, content or the program sponsor.

No duplication or distribution of materials, or recording of lectures associated.

There is no commercial support for this activity.

Accommodations
