American Society of
Interventional Pain Physicians

FROM THE CHAIRMAN

On behalf of the American Society of Interventional Pain Physicians and the ASIPP Board of Directors, I am pleased to offer three unique educational events to help further your knowledge and skills in the specialty of Interventional Pain Management: Comprehensive Review Course in Vertebral Augmentation Techniques; and Intradiscal Techniques & Lumbar Decompression.

These two specialty courses which will take place on April 12-13 at the Oquendo Center in Las Vegas, are designed to meet the unique needs of interventional pain physicians and are designed to provide you with the highest level of education, training, and measurement of skills.

With our excellent participant/instructor ratio, you will have the opportunity for personal interaction with our highly distinguished faculty of world-renowned teachers and lecturers, creating a thorough and compelling educational experience.

In these 2-day Comprehensive Review Courses and Cadaver Workshops, you can improve existing skills and/or learn new techniques. Whether you have been practicing interventional pain management for many years or are new to the field with basic skills, we are confident you will find this course and workshop to be beneficial – as it is essential that we continue learning and exploring new procedures and techniques in our specialty.

We are confident that you will benefit from this exceptional opportunity for professional enhancement. We will transport you from our host hotel, the MGM Grand Signature, to the Oquendo Center where the seminars will take place. These courses are limited so we encourage you to register early. We look forward to seeing you in Las Vegas! If you have any questions, please feel free to contact me at 2831 Lone Oak Road, Paducah, KY 42003, phone: 270-554-9412 fax: 270-554-5394, or e-mail: drm@asipp.org

Sincerely,

Laxmaiah Manchikanti, MD

DESCRIPTION

These 2-day comprehensive review courses and hands-on cadaver workshops will describe and demonstrate the techniques of: vertebral augmentation techniques, or intradiscal techniques and lumbar decompression. The desired outcome is for physicians to integrate various aspects of the interventional pain management techniques in these three areas into the treatment of patients in order to provide better outcomes and reduced side-effects for patients.

This program is designed for interventional pain physicians as a review, skills improvement, or to assist in obtaining credentials. These courses are among the most in-depth, comprehensive, and individualized programs available for vertebral augmentation techniques, and intradiscal techniques and lumbar decompression in the U.S., featuring extensive hands-on training with cadavers in a state-of-the-art facility. They also provide maximum opportunity to interact with faculty and other participants.

C-arms and state-of-the-art equipment will be utilized in these courses. Participants are requested to dress in casual attire or scrubs. Leaded aprons, thyroid shields, scrubs, and general protective equipment will be provided, however, participants are advised to bring their own protective eyewear.

TARGET AUDIENCE/PURPOSE

These ASIPP Review Courses and Hands-on Cadaver Workshops are designed for interventional pain physicians. These seminars are planned as a CME activity as an in-depth review in these specialty topics. The review courses will be based on the specifications of the cadaver workshops. The cadaver workshops are offered to improve the delivery of multiple aspects of interventional pain management.

OBJECTIVES

Describe the delivery of multiple aspects and demonstrate improved skill levels of vertebral augmentation techniques, or intradiscal techniques and lumbar decompression. Outcome: integration of multiple aspects of these techniques in treating patients for better outcomes and reduced side-effects.

ACCREDITATION STATEMENT

The workshops have received CME Credits and are CME

activities that have been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education through the Joint Sponsorship of the Institute for Medical Studies and the American Society of Interventional Pain Physicians. The Institute for Medical Studies is accredited by the ACGME to provide continuing medical education for physicians.

AMERICANS WITH DISABILITIES ACT & SPECIAL SERVICES

Organizers fully comply with the legal requirements of the Americans with Disabilities Act and the rules and regulations thereof. If any participant in these educational activities is in need of accommodations, please contact the organizers at (270) 554-9412 at least 10 days prior to each conference.

CADAVER WORKSHOP SITE

The Oquendo Center

2425 E. Oquendo Road, Las Vegas, NV 89120

The Oquendo Center is a state-of-the-art 66,000-square-foot facility located only minutes from the world famous Strip. The facility houses 5 multi-purpose rooms which can be used for didactics and

anatomic teaching laboratories.

Each room is fully equipped with high-quality integrated audiovisual equipment, including LCD

projector, screen wireless audio and WiFi. In addition the Oquendo Center features a cutting-edge auditorium.

CATEGORY I CREDIT™

The Institute for Medical Studies designates these educational activities for a maximum of 17 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

COURSE DIRECTORS

Laxmaiah Manchikanti, MD, Chairman of the Board and CEO, ASIPP

Hans C. Hansen, MD, President-Elect, ASIPP

Accommodations

The Signature at MGM Grand

145 East Harmon Ave, Las Vegas, NV 89109

Reservation: 1-877-612-2121

Step through the doors of MGM Grand and

begin a pure, amplified and unforgettable Las Vegas

experience where every guest is treated like a celebrity. Become the center of the action and immerse yourself in luxury as you play from dusk 'til dawn at this high-energy AAA Four Diamond resort. Small and large meetings take place in style at the MGM Grand Conference Center. Completely self-contained and smoke-free, the facility combines functionality and versatility with elegance and state-of-the-art technology to accommodate groups of 20 to 10,000 people. Offering indoor and outdoor meeting space, the tri-level, 380,000-square-foot conference center also features enticing views of the Las Vegas Strip or the Grand Pool complex.

Inform the agent that you are booking for American Society of Interventional Pain Physicians. We have secured a group room rate of \$129 (April 11) and \$189 (April 12&13). Reserve rooms early—all unbooked rooms will be released COB March 19, 2013.
