OCTOBER 9-11, 2009  
MEMPHIS, TENNESSEE

[WWW.ASIPP.ORG/MEETINGS](http://WWW.ASIPP.ORG/MEETINGS)

- **Comprehensive Review Course and Cadaver Workshop**  
(Basic, Intermediate, and ABIPP Part II Preparation)
- **Practical Documentation, Billing, Coding, and Compliance**  
for Interventional Pain Practices

On behalf of the American Society of Interventional Pain Physicians and the ASIPP Board of Directors, I am pleased to offer two unique educational events that can assist you in furthering your knowledge-base and skills in the specialty of Interventional Pain Management. These unique courses scheduled October 9 –11, 2009, are designed for and dedicated to offering the highest level of education, training, and measurement of skills in our goal to provide better care and access for our patients.

The **Review Course and Cadaver Workshop** and the **Practical Documentation, Billing, Coding, and Compliance for Interventional Pain Practices** are both designed to meet the unique needs of interventional pain physicians. With our excellent participant/instructor ratio, you will have the opportunity for personal interaction with our highly distinguished faculty of world-renowned teachers and lecturers, creating a thorough and compelling educational experience.

During the 2½-day **Comprehensive Review Course and Cadaver Workshop for Interventional Techniques**, you can improve existing skills and/or learn new skills. Whether you have been practicing interventional pain management for many years or are new to the field with basic skills, we are confident you will find this course and workshop to be beneficial – as it is essential that we continue learning and exploring new procedures and techniques in our specialty.

The **Practical Documentation, Billing, Coding, and Compliance for Interventional Pain Practices** is not only an essential element in Interventional Pain Management, but also beneficial to you as a physician and to your practice. Coding, compliance, and practice management are areas which are critical to our field yet ones in which few have adequate training. In today's environment of ever-changing regulations and litigations, we cannot afford to ignore these important and complex subjects.

The seminar will be conducted at the Peabody Memphis and the world famous Medical Education and Research Institute (MERI) in Memphis, TN. Make your plans early to attend. We look forward to seeing you in Memphis. If you have any questions, please feel free to contact me at 2831 Lone Oak Road, Paducah, KY 42003, phone: 270-554-8373 ext. 101, fax: 270-554-5394, or e-mail: [dmm@asipp.org](mailto:dmm@asipp.org)

Sincerely,

Laxmaiah Manchikanti, MD  
Chief Executive Officer and Chairman of the Board, ASIPP

## Description

This 2½-day review course and workshop is designed for interventional pain physicians, for a review, skills improvement or to assist in preparation for ABIPP Part I qualifications (if criteria are not already met) and Part II. It is the most in-depth, comprehensive, and individualized program available in interventional pain management, featuring maximum hands-on training with cadavers in a state-of-the-art facility and maximum ability to interact with other participants. Participants will experience a comprehensive and intense learning opportunity, focusing on interventional pain management techniques.

- Each workshop (cadaver station) is limited to a maximum of 8 participants.
- Participants can choose the level of participation: basic, intermediate, or ABIPP Part II Preparation.
- C-arms and state-of-the-art equipment are utilized in this course. Participants are requested to dress in casual attire or scrubs. Leaded aprons and thyroid shields will be provided. However, participants are advised to bring their own protective eyewear.

## Outcome

Physicians should be able to integrate multiple aspects of interventional pain management techniques in patient treatments so that patients have better outcomes and reduced side effects.

## Accreditation Statement

This CME activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education through the Joint Sponsorship of the Institute for Medical Studies and the American Society of Interventional Pain Physicians. The Institute for Medical Studies is accredited by the ACCME to provide continuing medical education for physicians.

## Americans with Disabilities Act & Special Services

Organizers fully comply with the legal requirements of the Americans with Disabilities Act and the rules and regulations thereof. If any participant in this educational activity is in need of accommodations, please contact the organizers at (270) 554-9412 at least 10 days prior to the conference.

## Accommodations

## *The Peabody Memphis*

149 Union Ave, Memphis TN 38103 USA  
Phone 1-901-529-4000

Inform the agent that you are booking for American Society of Interventional Pain Physicians. We have secured a group room rate of \$215. Reserve rooms early—all unbooked rooms will be released September 14, 2009.

**There is no commercial support for this course.**

## Cadaver Workshop Site

### Medical Education & Research Institute

44 South Cleveland, Memphis, TN 38104

MERI is a non-profit institute located in the heart of the downtown medical center in Memphis, Tennessee. The 27,000-square-foot facility houses 3 anatomic teaching laboratories; 7 private, high-security research suites; and an auditorium equipped with the most state-of-the-art audiovisual systems available, including 3-D systems for viewing videos. MERI specializes in producing world-class educational programs, offering the most current information on the latest medical techniques and products.

### Category I Credit™

The Institute for Medical Studies designates this educational activity for a maximum of 20.25 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

### Target Audience/Purpose

This intensive review course is planned as a CME activity for interventional pain physicians—for review, skills improvement or to assist in preparation for ABIPP Part I qualifications (if criteria are not already met) and Part II .

The ASIPP Cadaver Workshop in basic, intermediate and a special section for ABIPP Preparation is designed for interventional pain physicians. The workshop is offered to improve the delivery of multiple aspects of interventional pain management. It is designed to demonstrate improved skill levels and knowledge of interventional techniques, so that multiple aspects of interventional pain management can be used when treating patients. Participants will also perform spinal and other injection techniques. The desired outcome is to integrate multiple aspects of interventional pain management in treating your patients so that patients have better outcomes and reduced side effects. Subjects and procedures are as follows:

### Cadaver Lab – Saturday and Sunday LAB COURSE LEVELS

#### BASIC

- |   |   |
|---|---|
| <ul style="list-style-type: none"> <li>• Caudal Epidural</li> <li>• Lumbar Interlaminar</li> <li>• Thoracic Interlaminar</li> <li>• Cervical Interlaminar</li> <li>• Sacroiliac Joint Injections</li> </ul> | <ul style="list-style-type: none"> <li>• Lumbar Facet Joint Blocks</li> <li>• Thoracic Facet Joint Injections</li> <li>• Cervical Facet Joint Injections</li> </ul> <p><i>(All the above facet joint blocks cover intraarticular injections and medial branch blocks)</i></p> |
|---|---|

#### INTERMEDIATE

- |   |  |
|---|--|
| <ul style="list-style-type: none"> <li>• Cervical Facet Joint Nerve Radiofrequency</li> <li>• Thoracic Facet Joint Nerve Radiofrequency</li> <li>• Lumbar Facet Joint Nerve Radiofrequency</li> </ul> | <ul style="list-style-type: none"> <li>• Lumbar Transforaminal Epidurals</li> <li>• Stellate Ganglion Blocks</li> <li>• Lumbar Sympathetic Blocks</li> <li>• Hypogastric Plexus Blocks</li> <li>• Percutaneous Adhesiolysis</li> </ul> |
|---|--|

#### ABIPP PREPARATION

- |  |   |
|--|---|
| <ul style="list-style-type: none"> <li>• Stellate Ganglion Blocks</li> <li>• Lumbar/Sacral Transforaminal Epidural and Lumbar Discography</li> <li>• Thoracic and Lumbar Sympathetic Blocks</li> <li>• Interlaminar Epidurals: Caudal, Cervical, Thoracic, and Lumbar</li> </ul> | <ul style="list-style-type: none"> <li>• Percutaneous Adhesiolysis</li> <li>• Cervical Facet Joint Interventions</li> <li>• Lumbar/Thoracic Facet Joint Interventions</li> <li>• Hypogastric Plexus Blocks and Piriformis Blocks</li> </ul> |
|--|---|

Cancellations must be submitted in writing and received by September 14, 2009. An administrative fee of \$200 will be assessed. Cancellations after September 14, 2009 but prior to September 25, 2009 will forfeit 50% of their registration fee. No cancellations accepted after September 25, 2009. Refunds will be sent after the conclusion of the meeting.

- On-line:** For convenience and faster registration, register at [www.asipp.org/meetings](http://www.asipp.org/meetings)
- Fax:** Fax this registration form to 270.554.5394 with your Visa/MasterCard/ Discover/American Express information
- Mail:** Mail this registration form with payment—check or Visa/MasterCard/Discover/American Express information—to: ASIPP, 81 Lakeview Drive, Paducah, KY 42001

■ **Practical Documentation, Billing, Coding, and Compliance for Interventional Pain Practices**

**Statement of Need**

This two-day comprehensive review course is planned as a CME activity to prepare for competency certification or an in-depth review in areas of Documentation, Billing, Coding, and Compliance for Interventional Pain Practices. This review course is based on the American Board of Interventional Pain Physicians' specifications for competency certification examinations.

The course will provide an in-depth evaluation of the knowledge of the participants with extensive review of subject(s). As part of this comprehensive, in-depth, two-day review course, ASIPP will provide participants with a syllabus with outlines of the lectures and accompanying questions.

**Educational Objectives/Target Audience**

This two-day comprehensive review course is intended to present interventional pain management specialists, nurses, and other healthcare providers an in-depth review in the area of Documentation, Billing, Coding, and Compliance as it pertains to Interventional Pain Management.

Educational objectives for Documentation, Billing, Coding and Compliance:

- Discuss documentation
- Review practice management topics
- Discuss coding and billing
- Examine compliance issues

**Outcome**

Physicians will learn to operate comprehensive interventional pain care centers more efficiently, so that patients will receive the best care available.

**Americans with Disabilities Act & Special Services**

Organizers fully comply with the legal requirements of the Americans with Disabilities Act and the rules and regulations thereof. If any participant in this educational activity is in need of accommodations, please contact the organizers at (270) 554-9412 at least 10 days prior to the conference.

**Accreditation Statement**

This CME activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education through the Joint Sponsorship of the Institute for Medical Studies and the American Society of Interventional Pain Physicians. The Institute for Medical Studies is accredited by the ACCME to provide continuing medical education for physicians.

**Documentation, Billing, Coding and Compliance Category I Credit**

The Institute for Medical Studies designates this educational activity for a maximum of 15.5 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

**AAPC Continuing Education Units**

This program/publication subscription/etc. has prior approval of the American Academy of Professional Coders for 15.0 Continuing Education Units. Granting of this approval in no way constitutes endorsement by the Academy of the program, content or the program sponsor.

No duplication or distribution of materials, or recording of lectures associated.

There is no commercial support for this activity.
