Presents

**INTERVENTIONAL TECHNIQUES
REVIEW COURSE
JULY 7, 2006**

**COMPREHENSIVE INTERVENTIONAL
CADAVER WORKSHOP
JULY 8-9, 2006**

UP TO 22.75 CME CATEGORY I CREDITS

**INVITATION TO
INTERVENTIONAL TECHNIQUES
REVIEW COURSE AND COMPREHENSIVE
INTERVENTIONAL CADAVER WORKSHOP**

On behalf of the Board of the American Society of Interventional Pain Physicians, it is my privilege and pleasure to invite you to attend the Interventional Techniques Review Course and Comprehensive Interventional Cadaver Workshop this July 7 - 9 in Memphis, TN. We have created a state-of-the-art educational program of didactic courses covering various interventional techniques, followed by a comprehensive hands-on Interventional Cadaver Workshop to meet the needs of interventional pain physicians.

This intensive review course and comprehensive cadaver workshop are planned as a CME activity to prepare physicians seeking board certification by ABIPP, and as an in-depth review of interventional techniques. Participants will experience a comprehensive and intense learning opportunity, focusing on interventional pain management techniques. During this three day event you can improve existing skills, learn new skills, prepare for the interventional techniques certification examination, or prepare for the board examination.

Whether you have been practicing interventional pain management for many years or are new to the field, we are confident you will find this review course and cadaver workshop to be beneficial, as it is essential to learn new and relevant information to survive in the new millennium.

We trust you will be as excited as we are about this exceptional opportunity for professional enhancement. The seminar will be conducted at the DoubleTree and the world famous Medical Education and Research Institute (MERI) in Memphis, TN.

Make your plans early to attend. We look forward to seeing you in Memphis.

Sincerely,

Laxmaiah Manchikanti, MD
Chief Executive Officer, ASIPP

Target Audience /Purpose

This intensive Review Course is planned as a CME activity to prepare physicians seeking board certification by ABIPP or as an in-depth review of Interventional Techniques. This Review Course will be based on the specifications of the Cadaver Workshop and will assist in preparation for ABIPP Part I and Part II (FIPP examination).

Accreditation Statement

This activity has been planned and implemented in accordance with Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of the University of Louisville and the American Society of Interventional Pain Physicians. The University of Louisville is accredited by the ACCME to provide continuing medical education for physicians.

Category I Credit

Continuing Health Science Education designates this educational activity for up to 8 hours of Category I credit for the Interventional Techniques Review Course toward the AMA Physicians Recognition Award. Each physician should claim only those hours that he/she actually spent in the educational activity.

Americans with Disabilities Act

Organizers fully comply with the legal requirements of the Americans with Disabilities Act and the rules and regulations thereof. If any participant in this educational activity is in need of accommodations, please contact the organizers at (270) 554-9412 at least 10 days prior to the conference.

Accommodations

DOUBLETREE®

185 Union Avenue
Memphis, TN 38103
(901) 528-1800

Inform agent that you are booking for ASIPP, American Society of Interventional Pain Physicians has secured a group room rate of \$149. Reserve rooms early - all unbooked rooms will be released June 16, 2006.

There is no commercial support for this workshop

Workshop Site

Medical Education & Research Institute, 44 South Cleveland, Memphis, TN 38104

MERI is a non-profit institute located in the heart of the downtown medical center in Memphis, Tenn. The 27,000-square-foot facility houses three anatomic teaching laboratories; seven private, high-security research suites; and an auditorium equipped with the most state-of-the-art audiovisual systems available, including 3-D systems for viewing videos. MERI specializes in producing world-class educational programs, offering the most current information on the latest medical techniques and products.

Description

This 1.5 day workshop includes hands-on workshop of interventional techniques, using cadavers. Participants experience a comprehensive and intense learning opportunity, focusing on interventional pain management techniques.

This program is designed for interventional pain physicians, for a review, skills improvement or to assist in preparation for ABIPP Part I qualifications (if criteria are not already met) and Part II (FIPP Examination). It is the most in-depth, comprehensive, and individualized program available in interventional pain management, featuring maximum hands-on training with cadavers in a state-of-the-art facility and maximum ability to interact with other participants.

Each workshop (cadaver station) is limited to a maximum of 8 participants.

The workshop is limited to approximately 70 participants with 10 cadaver stations.

Participants can choose the level of participation: Basic, Intermediate or Advanced.

C-arms and state-of-the-art equipment are utilized in this course. Participants are requested to dress in casual attire or scrubs. Leaded aprons and thyroid shields will be provided. However, participants are advised to bring their own protective eyewear.

Accreditation Statement

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of the University of Louisville and the American Society of Interventional Pain Physicians. The University of Louisville is accredited by the ACCME to provide continuing medical education for physicians.

Category I Credit

Continuing Health Science Education designates this educational activity for up to 14.75 hours of Category I credit for the Comprehensive Interventional Cadaver Workshop toward the AMA Physicians Recognition Award. Each physician should claim only those hours that he/she actually spent in the educational activity.

Americans with Disabilities Act

Organizers fully comply with the legal requirements of the Americans with Disabilities Act and the rules and regulations thereof. If any participant in this educational activity is in need of accommodations, please contact the organizers at (270) 554-9412 at least 10 days prior to the conference.

Target Audience/Purpose

The ASIPP comprehensive Interventional Cadaver Workshop is designed for interventional pain physicians in basic, intermediate or advanced stages of technical and professional ability. The workshop is offered to improve the delivery of multiple aspects of interventional pain management. It is designed to improve skill levels and knowledge of interventional techniques, focusing on spinal and other injection techniques so that multiple aspects of interventional pain management can be used when treating patients. Subjects and procedures are as follows:

BASIC	INTERMEDIATE	ADVANCED
Caudal Epidural	Cervical Facet Joint Nerve Radio frequency	Thoracic Discography
Lumbar Interlaminar	Thoracic Facet Joint Nerve Radio frequency	Cervical Discography
Thoracic Interlaminar	Lumbar Facet Joint Nerve Radio frequency	Intradiscal therapies, IDET & Nucleoplasty
Cervical Interlaminar	Lumbar Discography	Percutaneous Disc Decompression. <i>Nucleotome</i>
Cervical Facet Joint Blocks Intraarticular injections, medial branch blocks	Lumbar Transforaminal	Spinal Cord Stimulation
Thoracic Facet Joint Blocks Intraarticular injections, medial branch blocks	Stellate Ganglion Blocks	Intrathecal Implantable Pumps
Lumbar Facet Joint Blocks Intraarticular injections, medial branch blocks	Lumbar Sympathetic Blocks	Vertebroplasty
Sacroiliac Joint Injections	Percutaneous Adhesiolysis	Celiac Plexus Block

Dinner Meeting 6:00 pm – 9:00 pm Faculty & Registrants - Case discussion

Special Services

To request disability arrangements, contact ASIPP at 270-554-9412 at least 10 days prior to the conference. ASIPP fully complies with the legal requirements of the ADA and the rules and regulations thereof.

There is no commercial support for this workshop

Comprehensive Interventional Cadaver Workshop

Saturday, July 8, 2006

6:45am-7:00am	SHUTTLES DEPART THE HOTEL TO MERI FACILITY	
7:00am-7:45am	REGISTRATION - CONTINENTAL BREAKFAST	
7:45am-8:30am	Introduction to Interventional Pain Management workshop	Andrea M. Trescot, MD
8:45am-12:30pm	Hands-on cadaver sessions: 10 workstations – Participants rotate through multiple stations, maximum of 8 participants at each station	
12:30pm-1:30pm	LUNCH	
1:30pm-5:30pm	Hands-on cadaver sessions: 10 workstations – Participants rotate through multiple stations, maximum of 8 participants at each station	
6:00pm-6:45pm	DINNER MEETING	
6:45pm-9:00pm	CASE PRESENTATIONS AND DISCUSSION	

Sunday, July 9, 2006

7:00am-7:15am	SHUTTLES DEPART THE HOTEL TO MERI FACILITY	
7:15am-8:00am	CONTINENTAL BREAKFAST	
8:00am-8:30am	Discussion	Mark V. Boswell, MD, PhD, Moderator
8:45am-12:15pm	Hands-on cadaver sessions: 10 workstations – Participants rotate through multiple stations, maximum of 8 participants at each station	
12:15pm	EVALUATION AND ADJOURNMENT	

3 WAYS TO REGISTER

1. On-line: Register at www.asipp.org/meetings.htm

2. Fax: Fax the registration form on back to 270.554.5394 with your Visa/MasterCard/Discover/American Express information

3. Mail: Mail the registration form on back with payment – check or Visa/MasterCard/Discover/American Express information – to:
 ASIPP
 81 Lakeview Drive
 Paducah, KY 42001

Registration Form For Course And Workshop

REGISTRATION INFORMATION

Approximately 70 participants will be allowed in the Workshop. Please complete the enclosed registration form and return to ASIPP with payment (your application will not be processed if payment does not accompany registration form). ASIPP reserves the right to cancel this Workshop and/or Review Preparation Course upon reasonable notice and will assume no financial obligation to registrants for cancellation of the course for reasons beyond its control. Registration fees will be refunded. However, costs incurred by the registrants, such as airline or hotel fees or penalties, are the responsibility of the registrants. Registrants who are not accepted into this workshop will receive notice by mail with their returned check.
