

American Society of Interventional Pain Physicians

# Exhibitor Approval Policy

Thank you for your interest in exhibiting with the American Society of Interventional Pain Physicians (ASIPP). The ASIPP Board of Directors must approve all new exhibiting companies. If you have previously been approved by the Board of Directors please download the on-line exhibitor prospectus and submit your application.

Companies that wish to be added to ASIPP's list of approved companies to exhibit should submit a written request on company letterhead addressed to: Paula Reynolds, Meeting Coordinator, American Society of Interventional Pain Physicians, 81 Lakeview Drive, Paducah, KY 42001, faxed to 270-554-8987 or e-mailed to [paula@thepainmd.com](mailto:paula@thepainmd.com)

The request must include a description of the company, products or services to be displayed, and company contact information. Product brochures and supplemental information should be included. The submitted material will then be sent to the Board of Directors for review. ASIPP will notify you within approximately two weeks of your approval status. Approval is not considered a commitment to exhibit. If approved, we will provide the applicable meeting prospectus and application if available at that time. The approved company must then submit an exhibitor application along with a deposit before space will be assigned at any event.

If you are unsure if your company is on our approved vendor listing please contact Paula Reynolds, Meeting Coordinator, at 270-554-8373 Ext. 149 or via e-mail at [paula@thepainmd.com](mailto:paula@thepainmd.com) for assistance.
