American Society of
Interventional Pain Physicians

We Invite You to Exhibit at the *16th Annual ASIPP Meeting*

The American Society of Interventional Pain Physicians was formed in 1998 with the goal of promoting the development and practice of safe, high-quality yet cost-effective interventional pain management techniques for the diagnosis and treatment of pain and related disorders, and to ensure patient access to these interventions. The meeting provides an outstanding opportunity for you to reach the decision-makers who purchase your products and services.

We sincerely hope that you consider exhibiting at the 16th Annual ASIPP meeting.
