Laxmaiah Manchikanti, MD

On behalf of the American Society of Interventional Pain Physicians (ASIPP), we invite you to participate in the 13th Annual Meeting, June 25-29, 2011 (Exhibitor dates are June 25-26) in Washington, DC.

The American Society of Interventional Pain Physicians was founded in 1998 to represent Interventional Pain Physicians dedicated to improve the delivery of interventional pain management services to patients across the country in the various settings of ambulatory surgical centers, offices and hospital outpatient departments. In addition, the American Society of Interventional Pain Physicians also started Interventional Pain Physicians- PAC in 1999 to represent the political interest of interventional pain physicians. The mission of ASIPP is to promote the development and practice safe, high quality, cost-effective interventional pain management techniques for the diagnosis and treatment of pain and related disorders, and to ensure patient access to these interventions.

The prospectus contains all of the ASIPP rules and regulations regarding your exhibit participation as well as useful information that will enhance your exposition experience. We have a number of exhibit tools, including new commercial support and marketing opportunities. If you have any questions or concerns, we will be happy to assist you. We look forward to receiving your application - and we'll see you in Washington!

Sincerely,

A handwritten signature in black ink, appearing to read "Laxmaiah Manchikanti". The signature is fluid and cursive, with a long horizontal line extending from the end.

All exhibitors must adhere to the following rules and regulations and other rules and regulations that may be promulgated by the American Society of Interventional Pain Physicians (ASIPP), all of which are incorporated by reference as part of all exhibit space rental agreements.

1. Interpretation of Rules

ASIPP shall have full power in the interpretation and enforcement of rules and regulations governing exhibitors. Issues and questions not covered by the regulations shall be subject to the final judgment and decision of ASIPP. ASIPP may amend these rules and regulations at any time, and the amendments so made shall be binding upon the exhibitor equally with these rules and regulations, and shall become a part thereof, providing the exhibitor is notified of the amendments. Notice may be verbal or in writing, before or during the meeting, and may be given to any authorized agent or representative of the exhibitor.

2. Purpose of Exhibits

The American Society of Interventional Pain Physicians, a non-profit organization. The purpose of the exhibits, an integral part of the Society's educational activity, is to complement the professional meetings and clinical sessions by enabling registrants to evaluate the latest developments in equipment, supplies, and services that are relevant to patient care. ASIPP does not in any manner endorse any of the products or services related to the exhibits that have been accepted for display and sale during the meeting.

3. Installation

All exhibits must be erected by the given time within the general information portion of the prospectus. No trunks, cases or other packaging materials are to be left in the exhibit area after installation of the booth, nor may such materials be brought into the exhibit hall during open exhibit hours. Any spaces not claimed and occupied for which no special arrangements have been made in writing two weeks prior to the event, shall revert to ASIPP to be re-let and occupied in any manner and for such purposes as ASIPP may see fit.

4. Exhibit Hours

ASIPP requires all exhibits to remain open, with at least one representative in the booth, during the specified exhibit hours. Hours are subject to change.

6. Sales and/or Solicitation of Orders

Sale of products and services is allowed on the exhibit floor provided such sales are conducted in a professional, business-like manner, in accordance with ASIPP guidelines, and the exhibitor complies with all state and local tax regulations. ASIPP reserves the right to restrict sales activities that it deems inappropriate or unprofessional.

7. Eligibility to Exhibit

The exhibit is designed for the display, demonstration and sale of products and services relating to the practice and advancement of the art and science of interventional pain management and the professional education and support of the members of ASIPP. All reductions in space require the approval of ASIPP and may result in space reassignment.
