YOU'RE INVITED

On behalf of the Board of the American Society of Interventional Pain Physicians (ASIPP®), it is our privilege and pleasure to invite you to attend the *Controlled Substance Management in IPM: Current Concepts*.

This 2 day virtual review course is January 13-14, 2024. This review course meet the needs of interventionalists based on input and needs assessment. The online competency exams will be January 20 and February 17, 2024.

GENERAL INFORMATION

STATEMENT OF NEED

This comprehensive review course is planned as a CME activity to prepare for competency certification or an in-depth review in areas of *Controlled Substance Management* (CSM). This comprehensive virtual review course is based on the American Board of Interventional Pain Physicians' specifications for competency certification examinations.

This course will provide in-depth evaluation of the knowledge of the participants with extensive review of subject(s).

As part of these comprehensive, in-depth, intense review courses, ASIPP® will provide participants with online material of the lectures.

EDUCATIONAL OBJECTIVES/ TARGET AUDIENCE

The course is intended to present interventional pain management specialists, nurses, and other healthcare providers an in-depth review of multiple areas of CSM.

Educational Objectives for Controlled Substance Management Virtual Review Course:

- Revised to incorporate changing concerns of CSM.
- Focus on managing opioid use disorder as component therapy of IPM.
- Discussion of controlled substance act during investigations and supreme court decisions.
- Review of the CDC guidelines, the fourth wave of illicit drug epidemic, and compassionate care.
- Medical board licensure renewal, reviews, and investigations. Topics covered: Sexual harassment by patients; Burnout and suicide; Alzheimer's disease.

OUTCOME

The CSM review course will educate you on how to operate an interventional pain care center more effectively, so that patients will receive the best care available.

ACCREDITATION STATEMENT

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing

Medical Education (ACCME) through the joint providership of The Institute for Medical Studies and the American Society of Interventional Pain Physicians (ASIPP®). The Institute for Medical Studies is accredited by the ACCME to provide continuing medical education for physicians.

ASIPP® is now an ABA Registered CME Provider.
