ASIPP'S 29TH ANNUAL MEETING

APRIL 15 – 17, 2027 | ORLANDO, FL

In collaboration with the Florida Society of Interventional Pain Physicians

THE FUTURE OF IPM:

CLINICAL EXCELLENCE, INNOVATION, COMPLIANCE, AND ADVOCACY

AMERICAN SOCIETY OF INTERVENTIONAL PAIN PHYSICIANS

Promoting the development and practice of safe, high quality, cost-effective interventional pain management techniques and regenerative medicine for the diagnosis and treatment of pain and related disorders, and to ensure patient access to these interventions.

ASIPP'S 29TH ANNUAL MEETING

It is our pleasure to invite you to the **American Society of Interventional Pain Physicians' 29th Annual Meeting**, taking place **April 15–17, 2027**, at the Orlando World Center Marriott in Orlando, Florida. Presented in collaboration with the Florida Society of Interventional Pain Physicians, this year's meeting will focus on **The Future of IPM: Clinical Excellence, Innovation, Compliance, and Advocacy**.

The program is designed to address the evolving educational and professional needs of physicians, advanced practitioners, and healthcare professionals throughout the interventional pain management community. Attendees can look forward to timely scientific sessions, distinguished faculty, practical insights, and discussions focused on the clinical, regulatory, technological, and practice challenges shaping the future of IPM.

Whether you are a longtime ASIPP member or joining us for the first time, the 2027 Annual Meeting will provide valuable opportunities to expand your knowledge, connect with colleagues, and engage with the issues affecting interventional pain physicians and their patients.

On behalf of the ASIPP Board of Directors, we hope you will join us for this important annual gathering.

THE FUTURE OF IPM:
CLINICAL EXCELLENCE, INNOVATION, COMPLIANCE, AND ADVOCACY

INVITED DISTINGUISHED SPEAKERS:

Harvey Castro, MD, MBA, is a board-certified emergency physician, author, and healthcare AI speaker known as "DR GPT." A five-time TEDx speaker, his work focuses on practical and responsible applications of artificial intelligence in healthcare, clinical workflow, and patient safety.

Miles Day, MD, is the Traweek-Racz Endowed Professor in Pain Research and Director of the Pain Medicine Fellowship at Texas Tech University Health Sciences Center. He currently serves as President of the World Institute of Pain and is an Academic Director for ASIPP.

Joshua Hirsch, MD, is Chair of the Department of Radiology at the Keck School of Medicine of USC and a nationally recognized leader in neurointervention, radiology, and health policy. Previously a professor at Harvard Medical School and senior leader at Massachusetts General Hospital, he has authored more than 650 peer-reviewed publications and served as president of several national societies.

Shalini Shah, MD, MBA, is Professor and Vice Chair of Anesthesiology & Perioperative Care and Enterprise Director of Pain Services at UCI Health. She completed a combined adult and pediatric chronic pain fellowship at Harvard Medical School and has led clinical research in pain medicine, migraine, neuromodulation, and healthcare delivery.

Peter Staats, MD, MBA, is co-founder and Chief Medical Officer of electroCore and a widely recognized leader in interventional pain medicine and neuromodulation. He founded the Division of Pain Medicine at Johns Hopkins, has led several pain and neuromodulation societies, and has contributed to more than 600 publications, abstracts, and book chapters.

Alaa Abd-Elsayed, MD, MPH, is a Professor of Anesthesiology at the University of Wisconsin School of Medicine and Public Health and Medical Director of Pain Services at UW-Madison. His clinical and academic work focuses on chronic pain, interventional pain management, and non-opioid treatment strategies, and he serves as Editor-in-Chief of Pain Medicine Case Reports.

Leonardo Kapural, MD, PhD, is a pain physician and researcher at Carolinas Pain Institute and a Clinical Affiliate Professor at Florida Atlantic University. He is a nationally recognized leader in neuromodulation and spinal cord stimulation.

Sudhir Diwan, MD, is Executive Director of Manhattan Spine & Pain Medicine and currently serves as Chair of the Board of Sections for the World Institute of Pain. He previously directed the Division of Pain Medicine and the Tri-Institutional Pain Fellowship Program at Weill Cornell Medical College and has lectured extensively on interventional pain medicine nationally and internationally.

Mayank Gupta, MD, is a board-certified, fellowship-trained interventional pain physician and President and CEO of Kansas Pain Management. His clinical interests include neuromodulation, peripheral nerve stimulation, radiofrequency ablation, and minimally invasive spine procedures; he also serves as President of the Kansas Society of Interventional Pain Physicians and an ASIPP Director-at-Large.

David Hao, MD, is a double board-certified anesthesiologist and pain medicine physician at Massachusetts General Hospital, where he directs the Cancer Pain Program. His interests include cancer pain, neuromodulation, and image-guided interventions, and he serves as Editor-in-Chief of A&A Practice and Deputy Editor-in-Chief of Anesthesia & Analgesia.

Allen Dennis, MD, is Medical Director of Advanced Pain Care and Round Rock Surgery Center in Texas and an ASIPP Director-at-Large. Board certified in anesthesiology and pain medicine, his practice includes comprehensive interventional pain management with particular expertise in neuromodulation.

Konstantin Slavin, MD, is Professor and Head of the Section of Stereotactic and Functional Neurosurgery at the University of Illinois Chicago, where he also directs the fellowship program in functional neurosurgery. An internationally recognized neuromodulation specialist, he is President-Elect of the International Neuromodulation Society and has previously served as president of both the World Society and American Society for Stereotactic and Functional Neurosurgery.

Nebojsa "Nick" Knezevic, MD, PhD, is Vice Chair for Research at Advocate Illinois Masonic Medical Center and Clinical Professor of Anesthesiology and Surgery at the University of Illinois Chicago. He is President of the Illinois Society of Interventional Pain Physicians and a widely published pain researcher.

GENERAL INFORMATION

ACCREDITATION STATEMENT

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of The Institute for Medical Studies and The American Society of Interventional Pain Physicians. The Institute for Medical Studies is accredited by the ACCME to provide continuing medical education for physicians.

ASIPP® is now an ABA Registered CME Provider

AUDIENCE

The intent of these courses is to present interventional pain management specialists, nurses, and other healthcare providers with an in-depth review of multiple areas of interventional pain management.

- Artificial Intelligence in IPM
- Neuromodulation & PNS
- Persistent Spinal Pain Syndromes
- Resident & Fellow Education
- SI Joint & Pelvic Pain
- Regenerative & Longevity Medicine
- Minimally Invasive Spine Interventions
- Practice Management & Advocacy
- Raj/Racz Distinguished Lecture Series
- Manchikanti Distinguished Lecture Series

OBJECTIVES

Discuss established and evolving concepts in interventional pain management.

OUTCOME

Participants in the 2027 ASIPP® Annual Meeting will learn to operate comprehensive interventional pain care centers more efficiently, so that patients will receive the best care available. They should leave with greater knowledge of interventional pain management as it applies to their patients and practice.

CATEGORY 1 CREDIT

The Institute for Medical Studies designates this live activity for a maximum of 20 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Physicians of Osteopathic Medicine—the American Osteopathic Association (AOA) accepts *AMA PRA Category 1 Credits™* as AOA Category 2-B credit.

RN, NP, AND PA CREDIT

Nurse Practitioners: The American Academy of Nurse Practitioners (AANP) accepts *AMA PRA Category 1 Credits™* from organizations accredited by the ACCME.

RNs/APNs: Most State Nursing Boards accept CE activities designated for *AMA PRA Category 1 Credits™* towards re-licensure requirements. Check with your board to determine whether they will accept this CME activity towards your re-licensure. This activity is designated for up to 20 *AMA PRA Category 1 Credit(s)™*

Physician Assistants: The American Academy of Physician Assistants (AAPA) accepts *AMA PRA Category 1 Credits™* from organizations accredited by the ACCME.

AMERICANS WITH DISABILITIES ACT AND SPECIAL SERVICES

Organizers fully comply with the legal requirements of the Americans with Disabilities Act and the rules and regulations thereof. If any participant in this educational activity is in need of accommodations, please contact the organizers at 270.554.9412 at least 10 days prior to the conference.

PRE-REGISTRATION

For your convenience, ASIPP® will offer pre-registration on Wednesday, April 14 from 4:00pm–7:00pm.

ASIPP® does not permit duplication or distribution of materials, or recording of lectures associated with this conference without the express written consent of the American Society of Interventional Pain Physicians. All rights reserved.
