DEAR COLLEAGUE

We would like to take this opportunity to invite you to the 2022 Annual Meeting of the California Society of Interventional Pain Physicians (CALSIPP), which will take place at the VEA Newport Beach—A Marriott Resort & Spa in Newport Beach, CA October 14–16.

CALSIPP has long been established as the leading organization for providing advocacy and education for physicians practicing Interventional Pain Management. We have invited participation from pain fellowship programs, academic and private practice physicians from California and beyond. The annual meeting has a long history of fostering a collegial environment where all of the academic pain fellowships can interact and share ideas with other academic and private physicians.

We anticipate in excess of 200 clinical providers specializing in pain management, interventional pain management and neurosurgery to attend, including: physicians, mid-level practitioners, nurses and pharmacists. Industry Partners and technical exhibits are an important part of our meeting's success and benefit both the attendees and the companies who choose to participate.

With a full agenda covering 2.5 days, there will be plenty of face time opportunities with potential clients. Industry Partners who sponsor at the highest levels will have opportunities to present their information in front of larger crowds during breakfast, lunch or dinner symposia opportunities.

We are anticipating a full exhibit hall and space will be limited. To ensure your chances of securing exhibit space and support opportunities, please review the enclosed prospectus materials carefully and complete the exhibitor application as early as possible.

We hope to facilitate training and networking for the fellows to meet with actively practicing physicians.
