DEAR COLLEAGUE

We would like to take this opportunity to inform you of the 12th Annual Meeting of the California Society of Interventional Pain Physicians (CALSI PP). This meeting will invite participation from all academic pain fellowship programs in California plus academic and private practice physicians from across the U.S. We hope to foster a collegial environment where all of the academic pain fellowships can interact and share ideas with other academic and private physicians.

EDUCATIONAL OBJECTIVES

- Introduction or review of proven interventional techniques
- Improve existing skills and/or develop new skills in the delivery of Interventional Techniques for Chronic and Non-chronic pain
- Treating your patients in a manner for better outcomes and reduced side effects
- Foster a collegial environment where all of the academic pain fellowships can interact and share ideas

AMERICANS WITH DISABILITIES ACT AND SPECIAL SERVICES

Organizers fully comply with the legal requirements of the Americans with Disabilities Act and the rules and regulations thereof. If any participant in this educational activity is in need of accommodations, please contact the organizers at 270.554.9412 ext. 4210 at least 10 days prior to the conference.
