

ASIPP'S 29TH ANNUAL MEETING

APRIL 15–17, 2027 | ORLANDO, FL

In collaboration with the Florida Society of Interventional Pain Physicians

SUBMISSION DEADLINE FOR ABSTRACTS FEBRUARY 5, 2027

1. Abstract Proposals[#] and all accompanying materials must be electronically submitted no later than February 5, 2027.
2. Abstract Presentations are considered to be an educational activity, and therefore must avoid commercialism and be free of bias. All sources of support must be acknowledged on the e-Poster.
3. Word count: 250 word minimum and a 500 word maximum.
4. Generic names should be used versus brand names when possible. Also, the use of words such as novel, unique, robust, and excellent is thought to be promotional, and must be substantiated by proper references or *P*-values. When possible, use pharmacologic agent, medication, therapy, or a similar term, instead of drug.
5. No encore presentations from other conferences occurring before April 2027 will be accepted unless new data is being presented. All disclaimers regarding publishing or submitting for publication must be disclosed.
6. Abstract Proposals will be reviewed and selected by members of the Abstract Committee. Notifications will be made at least four weeks prior to the April 15-17, 2027 meeting.
7. All accepted abstracts will have the opportunity to present and will be required to provide an electronic poster for display at the annual meeting. These will be on rotation on multiple screens within the Exhibit Hall during the meeting Thursday, April 15 through Saturday, April 17. They will also be available to view on the meeting app and ShareFile. By submitting an abstract you automatically give us permission to share your abstract with attendees and to publish your submission, post-meeting, in *Pain Physician* journal.
8. Abstract representatives will be responsible for all personal expenses (travel, hotel, etc.). ASIPP will only pay for the conference registration for the TOP 3 presenters chosen for the Abstract Award Winner Presentations. Presenters must be registered and present for the meeting.
9. The Top 3 will present during the General Session on Friday, April 16.
10. A non-refundable \$50 submission fee will be required for submissions and will be collected with the online abstract submission form.
11. ASIPP must have mobile phone numbers for the presenter and primary contact for urgent communication at the venue during the meeting. Mobile numbers will be kept confidential.

[#] Case reports may be submitted for consideration

For questions regarding abstracts, please contact Savannah Gold at sgold@asipp.org
