2021 ASIPP® ANNUAL MEETING

IN CONJUNCTION WITH THE LOUISIANA SOCIETY OF INTERVENTIONAL PAIN PHYSICIANS (LSIPP)

Join Us!

It is our pleasure to invite you to the American Society of Interventional Pain Physicians' – ASIPP® – 2021 Annual Meeting, **COMPREHENSIVE PHYSICIAN AND PRACTICE REHABILITATION FOR THE SURVIVAL OF IPM**. This 23rd annual meeting is in conjunction with the Louisiana Society of Interventional Pain Physicians (LSIPP) and will be at the **Hilton New Orleans Riverside** in New Orleans, Louisiana Thursday, June 24 through Saturday, June 26, 2021.

This educational program will meet the needs of physicians, mid-level providers, and staff. Coming back together for the first national IPM meeting since COVID is exciting, and ASIPP® will continue its tradition of providing the highest caliber educational program for the IPM community. This year's educational events will include practice management, lessons learned from the financial disruptions of COVID-19, controlled substance management, regenerative medicine, interventional techniques, abstract presentations, an Innovative Summit and a strong focus on new technologies, a Resident/Fellow section for emergence into practice, and much more.

We offer an extensive practice management section with multiple intensive coding and compliance lectures. This session is ideal for physicians, but also invaluable for staff. Consider it a valuable investment for your practice. Whether you are a member of ASIPP®, or have yet to become a member, we are confident that this event will provide the information needed to help you in the evolving specialty of interventional pain management.

RAJ-RACZ DISTINGUISHED LECTURES

Presenters for these lectures will be **David Schultz, MD** and **Laxmaiah Manchikanti, MD**, Chairman and CEO, ASIPP®. **Dr. Schultz** is a pioneer in pain management. MANCHIKANTI DISTINGUISHED LECTURES

Presenters for these lectures will be **The Honorable Senator Bill Cassidy, MD, Meredith Loveless, MD** and **Leslie Stevens, MD**. **Senator Cassidy**, is a longtime advocate for ASIPP® in Washington D.C. He began serving the constituents of Louisiana in the nation's capital in 2009 in the U.S. House of Representatives, and has served in the U.S. Senate since 2014. **Dr. Loveless** is the Chief Medical Officer for CGS Administrators' A/B MAC Jurisdiction 15. **Dr. Stevens** is the Chief Medical Officer for First Coast and Novitas Solutions.
