GENERAL INFORMATION

STATEMENT OF NEED

This comprehensive review course is planned as a CME activity to prepare for competency certification or an in-depth review in areas of **Controlled Substance Management**. This comprehensive virtual review course is based on the American Board of Interventional Pain Physicians' specifications for competency certification examinations.

This course will provide in-depth evaluation of the knowledge of the participants with extensive review of subject(s).

As part of these comprehensive, in-depth, intense review courses, **ASIPP®** will provide participants with online material of the lectures.

EDUCATIONAL OBJECTIVES/TARGET AUDIENCE

The course is intended to present interventional pain management specialists, nurses, and other healthcare providers an in-depth review of multiple areas of controlled substance management.

Educational Objectives for Responsible, Safe, and Evidence-Based Controlled Substance Management Comprehensive Virtual Review Course:

- Review basic science and core concepts
- Discuss pharmacology for IPM
- Identify clinical use and effectiveness
- Identify substance abuse in IPM
- Discuss topics with documentation, regulatory issues, legal issues, and ethical issues

OUTCOME

Participants in the **Controlled Substance Management** Course should be able to apply the fundamental concepts of managing controlled substances in your practice, from pharmacology and the clinical uses to identifying abuse and the legal aspects of prescribing, for better outcomes and reduced side effects.

ACCREDITATION STATEMENT

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of The Institute for Medical Studies and the American Society of Interventional Pain Physicians (**ASIPP®**). The Institute for Medical Studies is accredited by the ACCME to provide continuing medical education for physicians.

ASIPP® is now an ABA Registered CME Provider.

CATEGORY I CREDIT

The Institute for Medical Studies designates this live activity for a maximum of 20 *AMA PRA Category 1 Credits™* for **Controlled Substance Management** Course. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Physicians of Osteopathic Medicine — the American Osteopathic Association (AOA) accepts *AMA PRA Category 1 Credits™* as AOA Category 2-B credit.

RN, NP, AND PA CREDIT

Nurse Practitioners: The American Academy of Nurse Practitioners(AANP) accepts *AMA PRA Category 1 Credits™* from organizations accredited by the ACCME.

RNs/ APNs: Most State Nursing Boards accept CE activities designated for *AMA PRA Category 1 Credits™* towards re-licensure requirements. Check with your board to determine whether they will accept this CME activity towards your re-licensure. This activity is designated for 20 *AMA PRA Category 1 Credits™* for Controlled Substance Management.

Physician Assistants: The American Academy of Physician Assistants (AAPA) accepts *AMA PRA Category 1 Credits™* from organizations accredited by the ACCME.

AMERICANS WITH DISABILITIES ACT AND SPECIAL SERVICES

Organizers fully comply with the legal requirements of the Americans with Disabilities Act and the rules and regulations thereof. If any participant in this educational activity is in need of accommodations, please contact the organizers at 270.554.9412 at least 10 days prior to the course.

COURSE DIRECTORS: LAXMAIAH MANCHIKANTI, MD; AMOL SOIN, MD; SHERI ALBERS, DO; DEVI NAMPIAPARAMPIL, MD; CHRIS GHARIBO, MD
