YOU ARE INVITED

On behalf of the Board of the American Society of Interventional Pain Physicians (ASIPP®), it is our privilege and pleasure to invite you to attend the **Interventional Techniques in IPM: Focusing on Technical Aspects Virtual Review Course**.

This virtual review course is February 21, 2026. This review course meet the needs of interventionalists based on input and needs assessment.

GENERAL INFORMATION

STATEMENT OF NEED

This comprehensive review course is planned as a CME activity to prepare for competency certification or an in-depth review in areas of **Interventional Techniques in IPM**. This comprehensive virtual review course is based on the American Board of Interventional Pain Physicians' specifications for competency certification examinations.

This course will provide in-depth evaluation of the knowledge of the participants with extensive review of subject(s).

As part of these comprehensive, in-depth, intense review courses, ASIPP® will provide participants with online material of the lectures.

EDUCATIONAL OBJECTIVES/TARGET AUDIENCE

The course is intended to present interventional pain management specialists, nurses, and other healthcare providers an in-depth review of multiple areas of IPM.

Educational Objectives for Interventional Techniques in IPM Virtual Review Course:

- Provide high-quality, competent, safe, accessible, and cost-efficient services to your patients
- Improve existing skills and/or develop new skills in the delivery of interventional techniques
- Incorporate interventional techniques in treating your patients so that patients have better outcomes and reduced side effects.

OUTCOME

The **Interventional Techniques in IPM** review course will educate you on how to operate an interventional pain care center more effectively, so that patients will receive the best care available.

ACCREDITATION STATEMENT

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of The Institute for Medical Studies and the American Society of Interventional Pain Physicians (ASIPP®). The Institute for Medical Studies is accredited by the ACCME to provide continuing medical education for physicians.

ASIPP® is now an ABA Registered CME Provider.
