NAVIGATING THE PATH AHEAD:
THE FUTURE OF INTERVENTIONAL PAIN MANAGEMENT

It is our pleasure to invite you to the American Society of Interventional Pain Physicians’ 2024 Annual Meeting, where we are navigating the path ahead and looking at the future of Interventional Pain Management. This 26th Annual Meeting will be held Thursday, April 4 through Saturday, April 6, 2024 at the Hyatt Regency in Dallas, Texas.

This educational program will meet the needs of physicians, mid-level providers, and staff. This program is our best yet and truly has something for everyone! ASIPP® will continue its tradition of providing excellence in educational programming for the IPM community. This year’s educational events will include the Raj/Racz Distinguished Lecture Series, the Manchikanti Distinguished Lecture Series, sections on Peripheral Nerve Stimulation, Spinal Cord Stimulation, Controlled Substance and Opioid Abuse Management, Intrathecal Infusions, Minimally Invasive Spinal Interventions, Anthithrombotics, Regenerative Medicine, and much more. Whether you are a member of ASIPP®, or have yet to become a member, this event will provide information you need to help you in the evolving specialty of interventional pain management.

INVITED DISTINGUISHED SPEAKERS

We are pleased to welcome Pradeep Albert, MD; Richard Derby, MD; Leo Kapural, MD, PhD; Alan Kaye, MD, PhD; and Laxmaiah Manchikanti, MD.

Pradeep Albert, MD obtained his bachelor of science, graduating magna cum laude, before attending SUNY at Syracuse Health Science Center, earning his doctor of medicine degree in 1997. In 2002, Dr. Albert was the recipient of the RSNA National Research Award.

Richard Derby, MD is Medical Director of Spinal Diagnostics and Treatment Center as well as CEO of Comprehensive Spine Diagnostics Medical Group in Daly City, CA. He is a board certified anesthesiologist who also serves as Associate Clinical Professor at Stanford University’s Department of Orthopedic Surgery at Stanford, CA.

Leo Kapural, MD, PhD is a Pain Physician at the Carolinas Pain Institute and Center for Clinical Research. He is also member of clinical faculty of Wake Forest University, School of Medicine. Dr Kapural served as a Professor of Anesthesiology at the Cleveland Clinic Lerner College of Medicine of Case Western university and Wake Forest University, School of Medicine.

Alan David Kaye, MD, PhD is the Professor and Chairman of the Department of Anesthesiology at LSU Health Sciences Center in New Orleans since January 2005.

Laxmaiah Manchikanti, MD is a physician specializing in interventional pain management, a professor, philanthropist, and author. He is the founder of American Society of Interventional Pain Physicians, Society of Interventional Pain Management Surgery Centers, multiple state societies, American Board of Interventional Pain Physicians, as well as Pain Physician and Pain Medicine Case Reports medical journals.

Devi Nampiaparampil, MD is the Clinical Associate Professor, Department of Rehabilitation Medicine at NYU Grossman School of Medicine. She is American Board of PM&R (Sports Medicine), American Board of PM&R (Pain Medicine), and American Board of PM&R - Physical Medicine & Rehabilitation certified.

Konstantin Slavin, MD is a professor of neurosurgery and head of the Stereotactic and Functional Neurosurgery section at UIC. He is the Past-President of the American Society for Stereotactic and Functional Neurosurgery, and Director-at-Large of the North American Neuromodulation Society and the International Neuromodulation Society. He also serves on Medical Advisory Board of the Facial Pain Association (formerly Trigeminal Neuralgia Association).

We are excited to present the ASIPP® 2024 Annual Meeting in Dallas. On behalf of the Board of Directors of ASIPP®, we hope you join us for the most important meeting all year. Do not miss this unique opportunity!
GENERAL INFORMATION

ACcreditation Statement

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of The Institute for Medical Studies and The American Society of Interventional Pain Physicians. The Institute for Medical Studies is accredited by the ACCME to provide continuing medical education for physicians. ASIPP® is now an ABA Registered CME Provider.

Audience

The intent of these courses is to present interventional pain management specialists, nurses, and other healthcare providers with an in-depth review of multiple areas of interventional pain management.

- Raj/Racz Distinguished Lecture Series
- Manchikanti Distinguished Lecture Series
- Peripheral Nerve Stimulation
- Spinal Cord Stimulation
- Controlled Substance and Opioid
- Abuse Disorder Management
- Intrathecal Infusions
- Minimally Invasive Spinal Interventions
- Antithrombotics
- Regenerative Medicine
- Sacroiliac Joint Interventions/Fusions
- CRPS
- Radiofrequency
- Young Physicians in IPM
- Practice Management
- Innovative Technologies

Objectives

Discuss established and evolving concepts in interventional pain management.

Outcome

Participants in the 2024 ASIPP® Annual Meeting will learn to operate comprehensive interventional pain care centers more efficiently, so that patients will receive the best care available. They should leave with greater knowledge of interventional pain management as it applies to their patients and practice.

Category 1 Credit

The Institute for Medical Studies designates this live activity for a maximum of 21.5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
