SOMETHING FOR EVERYONE!

It is our pleasure to invite you to the American Society of Interventional Pain Physicians’ – ASIPP® – 2022 Annual Meeting, Focusing on Fundamentals to Build the Future of IPM. This 24th annual meeting is in conjunction with the Nevada and California Societies of Interventional Pain Physicians and will be at Caesars Palace in Las Vegas, Nevada Thursday, May 5 through Saturday, May 7, 2022.

This educational program will meet the needs of physicians, mid-level providers, and staff. This program is our best yet and truly has something for everyone! ASIPP® will continue its tradition of providing excellence in educational programming for the IPM community. This year’s educational events will include practice management, lessons learned from the financial disruptions of COVID-19, controlled substance management, regenerative medicine, interventional techniques, abstract presentations, an Innovative Summit and a strong focus on new technologies, a Resident/Fellow section for emergence into practice, and much more.

We offer an in-depth practice management section that addresses coverages beyond LCDs, handling payor audits and so much more. This session is ideal for physicians, but critical for staff. Invest in your practice by bringing your staff to the meeting with you. Whether you are a member of ASIPP®, or have yet to become a member, this event will provide information you need to help you in the evolving specialty of interventional pain management.

RAJ-RACZ DISTINGUISHED LECTURES

Presenters for these lectures will be Konstantin Slavin, MD and Laxmaiah Manchikanti, MD, Chairman and CEO, ASIPP®. Dr. Slavin serves as department chair for Stereotactic and Functional Neurosurgery at the University of Illinois College of Medicine, where he also serves as fellowship director. Earning his medical degree at just 18, Dr. Slavin is widely published and has many research interests that will be of interest during his keynote lecture on neuromodulation and chronic pain.

MANCHIKANTI DISTINGUISHED LECTURES

Presenters for these lectures will be The Honorable Congressman Larry Bucshon, MD; Jeff Mortier, Lee Snook, MD; Sunny Jha, MD; Mahendra Sanapati, MD; Michael Lubrano, MD; Amol Soin, MD; and Joshua Hirsch, MD. Before coming to Congress, Rep. Bucshon was a practicing physician and surgeon specializing in cardiothoracic surgery. He has worked since 2011 to champion patient-centered health care reforms that will give patients and their doctors the freedom to make their own health care decisions. Jeff Mortier serves as ASIPP's legislative counsel in Washington, D.C. Doctors Snook, Jha, Sanapati, Lubrano, Soin and Hirsch are all highly esteemed leaders in the IPM Community.

KEYNOTE SPEAKERS

It is an honor to welcome Randy Alvarez, and Harsha Shanthanna, MD. Alvarez is founder and host of The Wellness Hour, a program airing in more than 74 million homes each week. Dr. Shanthanna is Associate Professor of Anesthesia and a Research & Innovation Expert at McMaster University in Ontario, Canada.

We are excited to present the ASIPP® 2022 Annual Meeting in Las Vegas. On behalf of the Board of Directors of ASIPP®, we hope you join us for the most important meeting all year. Do not miss this unique opportunity!
GENERAL INFORMATION

ACCRREDITATION STATEMENT

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of The Institute for Medical Studies and The American Society of Interventional Pain Physicians. The Institute for Medical Studies is accredited by the ACCME to provide continuing medical education for physicians.

ASIPP® is now an ABA Registered CME Provider

AUDIENCE

The intent of these courses are to present interventional pain management specialists, nurses, and other healthcare providers an in-depth review of multiple areas of interventional pain management.

OBJECTIVES

Discuss established and evolving concepts in interventional pain management.

OUTCOME

Participants in the 2022 ASIPP® Annual Meeting will learn to operate comprehensive interventional pain care centers more efficiently, so that patients will receive the best care available. They should leave with greater knowledge of interventional pain management as it applies to their patients and practice.

CATEGORY 1 CREDIT

The Institute for Medical Studies designates this live activity for a maximum of 22.5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Physicians of Osteopathic Medicine — the American Osteopathic Association (AOA) accepts AMA PRA Category 1 Credits™ as AOA Category 2-B credit.

RN, NP, AND PA CREDIT

Nurse Practitioners: The American Academy of Nurse Practitioners (AANP) accepts AMA PRA Category 1 Credits™ from organizations accredited by the ACCME.

RN/AAPN: Most State Nursing Boards accept CE activities designated for AMA PRA Category 1 Credits™ towards re-licensure requirements. Check with your board to determine whether they will accept this CME activity towards your re-licensure. This activity is designated for up to 22.5 AMA PRA Category 1 Credit(s)™

Physician Assistants: The American Academy of Physician Assistants (AAPA) accepts AMA PRA Category 1 Credits™ from organizations accredited by the ACCME.

AMERICANS WITH DISABILITIES ACT AND SPECIAL SERVICES

Organizers fully comply with the legal requirements of the Americans with Disabilities Act and the rules and regulations thereof. If any participant in this educational activity is in need of accommodations, please contact the organizers at 270.554.9412 at least 10 days prior to the conference.

PREREGRISTRATION

For your convenience ASIPP®, will offer preregistration on Thursday, May 4 from 4:00pm–7:00pm.

ASIPP® does not permit duplication or distribution of materials, or recording of lectures associated with this conference without the express written consent of the American Society of Interventional Pain Physicians. All rights reserved.
