MIDWEST ANNUAL MEETING 2022

MIDWEST SOCIETIES OF INTERVENTIONAL PAIN PHYSICIANS
ILLINOIS, INDIANA, IOWA, MICHIGAN, AND WISCONSIN SOCIETIES
NOVEMBER 11-13 | PALMER HOUSE HILTON | CHICAGO

DEAR COLLEAGUE

We would like to take this opportunity to invite you to participate in the Fourth Annual Midwest Society of Interventional Pain Physicians (SIPP) Meeting to be held in Chicago November 11-13, 2022.

The annual meeting has a history of fostering a collegial environment where all of the academic pain fellowships can interact and share ideas with other academic and private physicians. Our goal is to present cutting edge, information to practitioners of all levels and provide a forum to interact and discuss evidence based medicine to improve the quality of care and access to care for patients.

Industry Partners and technical exhibits are an important part of our meeting's success and benefit both the attendees and the companies who choose to participate. We anticipate in excess of 150 clinical providers specializing in pain management, interventional pain management and neurosurgery to attend, including: physicians, mid-level practitioners, nurses and pharmacists.

With a full agenda covering 2 days, there will be plenty of face time opportunities with potential clients. Industry Partners who sponsor at the highest levels will have opportunities to present their information in front of larger crowds during breakfast, lunch or dinner symposia opportunities.

We are anticipating a full exhibit hall and space will be limited. To ensure your chances of securing exhibit space and support opportunities, please review the enclosed prospectus materials carefully and complete the exhibitor application as early as possible.

We look forward to receiving your commitment and working together at the 2022 Midwest SIPP Annual Meeting.
