## DESCRIPTION

This lumbar intervention course includes 1 day of didactics and 1 1/2 days of cadaver workshop. Lumbar Endoscopic Spine Decompression is a minimally invasive procedure that can help relieve pain, numbness and decreased mobility caused by nerve pressure created by a ruptured, herniated or bulging disc. This technique is performed by inserting a small instrument under X-ray guidance through the skin to reach the affected disc and provide treatment.

### The course will include the following:

- Most comprehensive Lumbar Endoscopic Spine Decompression Course available in the United States
- Overview of Lumbar Disc Herniation and Spinal Stenosis
- Manipulation and placement of needle and scope
- Technical considerations of spinal decompression
- Indications and efficacy of Endoscopic Discectomy
- Billing and coding
- Cadaver lab space limited to 4 physicians per station

## OBJECTIVES

- Attain understanding of Lumbar Endoscopic Spine Decompression
- Attain eligibility for competency certification
- Integrate new and progressive interventional pain management techniques in treating your patients so that patients have better outcomes and reduced side effects
- Provide high-quality, competent, safe, accessible, and cost-efficient services to your patients

## ACCREDITATION STATEMENT

These CME activities have been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education through the joint providership of The Institute for Medical Studies and the American Society of Interventional Pain Physicians. The Institute for Medical Studies is accredited by the ACCME to provide continuing medical education for physicians.

## CATEGORY I CREDIT

The Institute for Medical Studies designates the Lumbar Endoscopic Spinal Decompression Review Course live activity for a maximum of 8 AMA PRA Category 1 Credits™ and the Regenerative Medicine Comprehensive Cadaver Workshop live activity for a maximum of 13 AMA PRA Category 1 Credits™.

Physicians should claim only the credit commensurate with the extent of their participation in the activity.

## ACCOMMODATIONS

The Guest House at Graceland  
3600 Elvis Presley Blvd, Memphis, TN  
901.443.3000

"When Elvis had friends and family visit Graceland, he would have them stay at a hotel down the street. He would have been thrilled to have had his own guest house where they could stay so close by. Lisa and I, and our entire family, are excited that visitors from around the world can now experience our unique resort hotel — The Guest House at Graceland." — PRISCILLA PRESLEY.

The cut-off date for our room block with discounted rates is on February 10, 2017 or until sold out, whichever occurs first.
