ASIPP® 2017 ANNUAL MEETING

JOIN US!

As Conference Co-Chairs, it is our distinct pleasure and honor to invite you to one of the fastest growing events in the Interventional Pain Management field, the American Society of Interventional Pain Physicians' (ASIPP®) 19th Annual Meeting, **THE FUTURE OF IPM: EMBRACE INNOVATION WITH CONFIDENCE**. The meeting will take place in Las Vegas, Nevada on Thursday, April 20 through Saturday, April 22, 2017, at **Caesars Palace Las Vegas**.

In an effort to meet the needs of interventional pain physicians and other providers as well, we have created an educational program of the highest caliber, tailored to the needs of physicians, mid-level providers, and staff.

In keeping with recent years, the 2017 meeting will be one of our most exciting, educational, and enlightening of any annual meeting we have held. This year's educational events will include practice management, controlled substance management, regenerative medicine, interventional techniques, abstract presentations, a Resident/Fellow section for emergence into practice, and much more.

We offer an extensive practice management session with multiple and intensive coding and compliance lectures. This session is ideal for physicians, but also invaluable for staff. Consider it a valuable investment for your practice. They will walk away armed with the information they need to better tackle the billing and coding issues they face.

The faculty includes experts in the field of Interventional Pain Management, drug therapy, practice management, and current affairs that impact you. Whether you are a member of ASIPP®, or have yet to become a member, we are confident that this event will provide the information needed to help you in the evolving specialty of interventional pain management.

Abraham Verghese, MD, MACP and **Richard North, MD** will present the **Raj-Racz Distinguished Lectures**.

Dr. Abraham Verghese is Vice Chair for the Theory and Practice of Medicine at the School of Medicine at Stanford University. He is also a physician and critically acclaimed, best-selling author. Richard North, MD is President of the Neuromodulation Foundation, Inc. He has directed the Neurosurgery Spine Service for 16 years at the Johns Hopkins University School of Medicine.

We are also honored to have the following Keynote Speakers; **Philippe Hernigou, MD, PhD** serves as Chief of Surgery & Professor of Hospital Henri Mondor, University, Paris, France. Dr. Hernigou served as a Member of the Board of Scientific Advisors of Stemedica Cell Technologies, Inc. **Joshua Hirsch, MD** is Director of Interventional Neuroradiology/ Endovascular Neurosurgery; Chief of Minimally Invasive Spine Surgery; and Vice Chair of Interventional Care in the Department of Radiology and Associate Professor at Harvard Medical School.

We have invited **Robert Laszewski** and **Robert Wachter, MD** to provide the **Manchikanti Distinguished Lecture**. "No one has a greater knowledge of the Washington health policy scene than Bob Laszewski --- political, economic, social, and straight merit dimensions. Bob also has uncanny forecasting powers... and he calls the shots exactly as he sees them, unusual for Washington." - John McLaughlin, The McLaughlin Group. He is a national expert on Health Policy. Mr. Laszewski is president of Health Policy and Strategy Associates, Inc. (HPSA), a policy and marketplace consulting firm specializing in assisting its clients through significant health policy and market changes. Dr. Robert Wachter is Professor and Associate Chair of the Department of Medicine at the University of California, San Francisco. He is the author of 250 articles and 6 books, including "The Digital Doctor: Hope, Hype, and Harm at the Dawn of Medicine's Computer Age." He was named one of the 50 most influential physicians in the U.S. for each of the past 7 years.

We are excited to present the ASIPP® 19th Annual Meeting in the great city of Las Vegas, Nevada. On behalf of the Board of Directors of ASIPP®, we welcome you to join us for one of the fastest growing, most exciting, distinguished, and beneficial meetings all year. Don't miss this unique opportunity!

GENERAL INFORMATION

ACCREDITATION STATEMENT

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of The Institute for Medical Studies and The American Society of Interventional Pain Physicians. The Institute for Medical Studies is accredited by the ACCME to provide continuing medical education for physicians.

AUDIENCE

The courses are intended to present interventional pain management specialists, nurses, and other healthcare providers an in-depth review of multiple areas of interventional pain management.

OBJECTIVES

- Consider and discuss uncommon therapies for common conditions through emerging technology.
- Consider and discuss Regenerative Medicine.
- Consider and discuss Lumbar Endoscopy.
- Consider and discuss Practice Management.
- Consider and discuss Ultrasound-Guided Procedures
- Consider and discuss the uncertainties in today's healthcare environment.
- Identify, consider and discuss fraud and abuse and various compliance issues.
- Learn and discuss ways to prevent medical errors through correct billing and coding.
- Identify, consider, and discuss various aspects of the utilization of drug therapy in your practice.
- Getting started and involved with starting a practice and the business of pain medicine.
- Consider and discuss various interventional techniques.

OUTCOME

Participants in the ASIPP® 19th Annual Meeting will learn to operate comprehensive interventional pain care centers more efficiently, so that patients will receive the best care available. They should leave with greater knowledge of interventional pain management as it applies to their patients and practice.

CATEGORY I CREDIT

The Institute for Medical Studies designates this live activity for a maximum of 20.75 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Physicians of Osteopathic Medicine — the American Osteopathic Association (AOA) accepts *AMA PRA Category 1 Credits™* as AOA Category 2-B credit.

RN, NP, AND PA CREDIT

Nurse Practitioners: The American Academy of Nurse Practitioners (AANP) accepts *AMA PRA Category 1 Credits™* from organizations accredited by the ACCME.

RNs/ APNs- most State Nursing Boards accept CE activities designated for *AMA PRA Category 1 Credits™* towards re-licensure requirements. Check with your board to determine whether they will accept this CME activity towards your re-licensure. This activity is designated for up to 20.75 *AMA PRA Category 1 Credit(s)™*

Physician Assistants- The American Academy of Physician Assistants (AAPA) accepts *AMA PRA Category 1 Credits™* from organizations accredited by the ACCME.

CODING CREDIT

ASIPP® has applied for approval from the American Academy of Professional Coders for the appropriate Continuing Education Units. Granting of this approval in no way constitutes endorsement by the Academy of the program, content or any sponsors.

AMERICANS WITH DISABILITIES ACT AND SPECIAL SERVICES

Organizers fully comply with the legal requirements of the Americans with Disabilities Act and the rules and regulations thereof. If any participant in this educational activity is in need of accommodations, please contact the organizers at (270) 554-9412 at least 10 days prior to the conference.

PREREGISTRATION

For your convenience ASIPP®, will offer preregistration on Wednesday, April 19 from 4pm-7pm.

No duplication or distribution of materials, or recording of lectures associated with this conference is permitted without the express written consent of the American Society of Interventional Pain Physicians. All rights reserved.

ACCOMMODATIONS

Caesars Palace

3570 S Las Vegas Blvd, Las Vegas, NV 89109 | 866-227-5938

As famous as Las Vegas itself, Caesars Palace is the best-known casino resort in the world—and with good reason. What began as a grand casino honoring the indulgent luxuries of ancient Rome has somehow evolved into something even more spectacular.

Inform the agent that you are booking for the American Society of Interventional Pain Physicians. We have secured a group rate of \$219 - \$254 per room (depending on night). The cut-off date for our room block is midnight on Sunday, April 2 or until sold out, whichever occurs first.
