## Join Us!

You are invited to the rapidly growing American Society of Interventional Pain Physicians' (ASIPP®) 2019 Annual Meeting, **EXCELLENCE IN IPM: EDUCATION, RESEARCH, ADVOCACY**. This 21st annual meeting is brought to you in collaboration with the Society of Interventional Pain Management Surgery Centers (SIPMS) and is at **Caesars Palace** in Las Vegas, Nevada on Friday, May 3 through Sunday, May 5, 2019.

We have created an educational program of the highest caliber, tailored to the needs of physicians, mid-level providers, and staff. This year's educational events will include practice management, controlled substance management, regenerative medicine, interventional techniques, abstract presentations, a Resident/Fellow section for emergence into practice, and more.

We offer an extensive practice management section with multiple intensive coding and compliance lectures. This session is ideal for physicians, but also invaluable for staff. Consider it a valuable investment for your practice.
