American Society of
Interventional Pain Physicians
The Voice of Interventional Pain Management

FROM THE CHAIRMAN OF THE BOARD AND CEO

On behalf of the Board of Directors of the American Society of Interventional Pain Physicians (ASIPP®), we invite you to one of the most comprehensive and useful educational conferences available anywhere. The ASIPP® Comprehensive Review Courses and Competency Examinations in Controlled Substance Management and Practice Management will be held in Memphis, TN, on June 9-11, 2016.

Since we began offering the Competency Review courses in 2005, it has become recognized as a **"must attend"** training event for interventional pain physicians and physicians just entering interventional pain management or in-training and physicians appearing for board examinations by various boards. The Practice Management course is so beneficial to practices, both office-based and ASCs, that many physicians send their staff early to keep them current on the cutting edge aspects of practice management.

These intensive review courses are designed to present interventional pain management specialists and other health care providers an in-depth review of multiple areas of interventional pain management—the areas we were never taught, yet are crucial for our survival. The course features many nationally recognized experts in practice management and controlled substance management.

In addition to the review course, the American Board of Interventional Pain Physicians (for physicians) and the American Association of Allied Pain Management Professionals (for non-physicians) offers the opportunity for examination in order for physicians to obtain competency certification to and non-physicians to obtain associate certificates in Controlled Substance Management and Practice Management. Now offered at two separate times on Saturday for your convenience; 9:00am and 4:30pm.

We hope you will join us at the home of the blues, Memphis, Tennessee for this special educational event. Whether you have practiced pain medicine or interventional pain management for years, if you are new to the discipline, or if you are in training—the ever-changing field of controlled substance management, practice management, and the rules and regulations associated with these areas of interventional pain management makes this an essential course for you.

Sincerely,

Laxmaiah Manchikanti, MD

COURSE DIRECTORS

Laxmaiah Manchikanti, MD
Chairman of the Board and
Chief Executive Officer, ASIPP®

Hans C. Hansen, MD
Director Emeritus, ASIPP®

Stanford Silverman, MD
Director at Large, ASIPP®

STATEMENT OF NEED

These comprehensive review courses are planned as CME activity to prepare for competency certification or an in-depth review in areas of Controlled Substance Management and Practice Management. These review courses are based on the American Board of Interventional Pain Physicians' specifications for competency certification examinations.

These courses will provide in-depth evaluation of the knowledge of the participants with extensive review of subject(s).

As part of these comprehensive, in-depth, intense review courses, ASIPP® will provide participants with online material of the lectures.

EDUCATIONAL OBJECTIVES/TARGET AUDIENCE

The courses are intended to present interventional pain management specialists, nurses, and other healthcare providers an in-depth review of multiple areas of controlled substance management and practice management.

EDUCATIONAL OBJECTIVES FOR CONTROLLED SUBSTANCE MANAGEMENT:

- Review basic science and core concepts
- Discuss pharmacology for IPM
- Identify clinical use and effectiveness
- Identify substance abuse in IPM
- Discuss topics with documentation, regulatory issues, legal issues, and ethical issues

EDUCATIONAL OBJECTIVES FOR PRACTICE MANAGEMENT:

- Discuss documentation for IPM
- Review practice management topics
- Discuss coding and billing
- Examine compliance issues

OUTCOME

Participants in the Controlled Substance Management Course should be able to apply the fundamental concepts of managing controlled substances in your practice, from pharmacology and the clinical uses to identifying abuse and the legal aspects of prescribing, for better outcomes and reduced side effects.

The Practice Management course will educate you on how to operate an interventional pain care center more effectively, so that patients will receive the best care available.

ACCOMMODATIONS

Sheraton Memphis Downtown Hotel

250 North Main Street, Memphis, TN 38103

Phone: (1)(901) 527-7300 | sheratonmemphisdowntown.com

Sheraton

Enjoy outstanding service in the warm, welcoming atmosphere of the newly renovated Sheraton Memphis Downtown Hotel. Attached to the Memphis Cook Convention Center and located as a direct stop on the vintage Memphis Main Street Trolley line, experience easy access to some of downtown's most notable attractions.

Inform the agent that you are booking for American Society of Interventional Pain Physicians. We have secured a group rate of \$141. Register early, as all unbooked rooms will be released on May 16, 2016 or until sold out, whichever occurs first.

AMERICANS WITH DISABILITIES ACT AND SPECIAL SERVICES

Organizers fully comply with the legal requirements of the Americans with Disabilities Act and the rules and regulations thereof. If any participant in this educational activity is in need of accommodations, please contact the organizers at (270) 554-9412 at least 10 days prior to the conference.

ACCREDITATION STATEMENT

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of The Institute for Medical Studies and the American Society of Interventional Pain Physicians (ASIPP®). The Institute for Medical Studies is accredited by the ACCME to provide continuing medical education for physicians.

ASIPP® is now an ABA Registered CME Provider.

CATEGORY I CREDIT

The Institute for Medical Studies designates this live activity for a maximum of 9.25 *AMA PRA Category 1 Credits™* for Controlled Substance Management and 9.5 *AMA PRA Category 1 Credits™* for Practice Management. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Physicians of Osteopathic Medicine — the American Osteopathic Association (AOA) accepts *AMA PRA Category 1 Credits™* as AOA Category 2-B credit.

RN, NP, AND PA CREDIT

Nurse Practitioners: The American Academy of Nurse Practitioners (AANP) accepts *AMA PRA Category 1 Credits™* from organizations accredited by the ACCME.

RNs/ APNs- most State Nursing Boards accept CE activities designated for *AMA PRA Category 1 Credits™* towards re-licensure requirements. Check with your board to determine whether they will accept this CME activity towards your re-licensure. This activity has designated 9.25 *AMA PRA Category 1 Credits™* for Controlled Substance Management and 9.5 *AMA PRA Category 1 Credits™* for Practice Management from organizations accredited by the ACCME.

Physician Assistants- The American Academy of Physician Assistants (AAPA) accepts *AMA PRA Category 1 Credits™* from organizations accredited by the ACCME.

CODING CREDIT

ASIPP® has applied for approval of the American Academy of Professional Coders for the appropriate Continuing Education Units. Granting of this approval in no way constitutes endorsement by the Academy of the program, content or any sponsors.

AMERICANS WITH DISABILITIES ACT AND SPECIAL SERVICES

Organizers fully comply with the legal requirements of the Americans with Disabilities Act and the rules and regulations thereof. If any participant in this educational activity is in need of accommodations, please contact the organizers at (270) 554-9412 at least 10 days prior to the conference.

CODING CREDIT

ASIPP® has applied for approval of the American Academy of Professional Coders for the appropriate Continuing Education Units. Granting of this approval in no way constitutes endorsement by the Academy of the program, content or any sponsors.

Duplication or distribution of materials or recording of lectures without express written permission from ASIPP® is prohibited. There is NO commercial support for this course.
