STATEMENT OF NEED

This Vertebral and Sacral Augmentation Course includes: 1 day comprehensive review course and 1 day hands on cadaver workshop. This course is planned as a CME activity to prepare physicians for an in-depth understanding of the areas of Vertebral and Sacral Augmentation. This comprehensive review course and cadaver workshop for vertebral and sacral augmentation is targeted to interventional pain physicians seeking CME credit hours and introduction or review of proven interventional techniques in vertebral and sacral augmentation, as well as skills improvement and/or to fulfill CME hours.

EDUCATIONAL OBJECTIVES

- Review basic science and core concepts
- Improve existing skills and/or develop new skills and understanding of vertebral and sacral augmentation
- Incorporate interventional techniques in treating your patients so that patients have better outcomes and reduced side effects
- Provide high-quality, competent, safe, accessible, and cost-efficient services to your patients

CATEGORY I CREDIT

The Institute for Medical Studies designates the Vertebral and Sacral Comprehensive Review Course live activity for a maximum of 7.25 AMA PRA Category 1 Credits™ and the Vertebral and Sacral Comprehensive Cadaver Workshop live activity for a maximum of 8 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.
