ONLINE MEETING
INFORMATION AND
REGISTRATION

FROM THE COURSE DIRECTORS

On behalf of the Board of Directors of the American Society of Interventional Pain Physicians (ASIPP®), we invite you to one of the most comprehensive and useful educational conferences available anywhere. The ASIPP® Comprehensive Review Courses and Competency Examinations in Controlled Substance Management will be held at the Hyatt Chicago Magnificent Mile hotel in Chicago, IL, on June 24-25, 2017.

Since we began offering the Competency Review courses in 2005, they have become recognized as a **“must attend”** training event for interventional pain physicians and physicians just entering interventional pain management or in-training and physicians appearing for board examinations by various boards. The Controlled Substance Management course is so beneficial to practices, both office-based and ASCs, that many physicians send their staff to keep them current on the cutting edge aspects of controlled substance management

This intensive review course is designed to present interventional pain management specialists and other health care providers an in-depth review of multiple areas of interventional pain management—the areas we were never taught, yet are crucial for our survival. The course features nationally recognized experts in controlled substance management.

In addition to the review course, the American Board of Interventional Pain Physicians (for physicians) and the American Association of Allied Pain Management Professionals (for non-physicians) offers the opportunity for examination in order for physicians to obtain competency certification and non-physicians to obtain associate certificates in Controlled Substance Management. We are now offering two separate times for the exam: Tuesday evening at 4:00pm or Friday at 8:00am.

We hope you will join us in the Windy City for this special educational event. Whether you have practiced pain medicine or interventional pain management for years, if you are new to the discipline, or if you are in training—the ever-changing field of controlled substance management and the rules and regulations associated with this area of interventional pain management makes this an essential course for you.

Sincerely,

Hans Hansen, MD
Andrea Trescot, MD
Sanford Silverman, MD

COURSE DIRECTORS

Laxmaiah Manchikanti, MD
Chairman of the Board and
Chief Executive Officer,
ASIPP® and SIPMS

Hans C. Hansen, MD
President Elect, ASIPP®

Andrea Trescot, MD
Past President, ASIPP®

Sanford Silverman, MD
Director at Large, ASIPP®

STATEMENT OF NEED

This comprehensive review course is planned as a CME activity to prepare for competency certification or an in-depth review in areas of Controlled Substance Management. This review course is based on the American Board of Interventional Pain Physicians' specifications for competency certification examinations.

These courses will provide in-depth evaluation of the knowledge of the participants with extensive review of subject(s).

As part of this comprehensive, in-depth, intense review course, ASIPP® will provide participants with online material of the lectures.

EDUCATIONAL OBJECTIVES/TARGET AUDIENCE

The course is intended to present interventional pain management specialists, nurses, and other healthcare providers an in-depth review of multiple areas of controlled substance management.

EDUCATIONAL OBJECTIVES FOR CONTROLLED SUBSTANCE MANAGEMENT:

- Review basic science and core concepts
- Discuss pharmacology for IPM
- Identify clinical use and effectiveness
- Identify substance abuse in IPM
- Discuss topics with documentation, regulatory issues, legal issues, and ethical issues

OUTCOME

Participants in the Controlled Substance Management Course should be able to apply the fundamental concepts of managing controlled substances in your practice, from pharmacology and the clinical uses to identifying abuse and the legal aspects of prescribing, for better outcomes and reduced side effects.

ACCOMMODATIONS

Hyatt Chicago Magnificent Mile

633 North Saint Clair Street, Chicago, IL 60611
Phone: 312-787-1234

During a stay at Hyatt Centric Chicago Magnificent Mile, you'll experience the electric energy of the Windy City with a coveted address right on Michigan Avenue. Explore all the city has to offer—from noted attractions like Navy Pier to high-end shopping along the Mag Mile—then relax in one of our welcoming guest rooms.

Inform the agent that you are booking for American Society of Interventional Pain Physicians. We have secured a group rate of \$239. Register early, as all unbooked rooms will be released on June 23, 2017 or until sold out, whichever occurs first.

ACCREDITATION STATEMENT

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of The Institute for Medical Studies and the American Society of Interventional Pain Physicians (ASIPP®). The Institute for Medical Studies is accredited by the ACCME to provide continuing medical education for physicians.

ASIPP® is now an ABA Registered CME Provider.

CATEGORY I CREDIT

The Institute for Medical Studies designates this live activity for a maximum of 14 *AMA PRA Category 1 Credits™* for Controlled Substance Management. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Physicians of Osteopathic Medicine — the American Osteopathic Association (AOA) accepts *AMA PRA Category 1 Credits™* as AOA Category 2-B credit.

RN, NP, AND PA CREDIT

Nurse Practitioners: The American Academy of Nurse Practitioners (AANP) accepts *AMA PRA Category 1 Credits™* from organizations accredited by the ACCME.

RNs/ APNs- most State Nursing Boards accept CE activities designated for *AMA PRA Category 1 Credits™* towards re-licensure requirements. Check with your board to determine whether they will accept this CME activity towards your re-licensure. This activity has designated up to 16 *AMA PRA Category 1 Credits™* for Controlled Substance Management from organizations accredited by the ACCME.

Physician Assistants- The American Academy of Physician Assistants (AAPA) accepts *AMA PRA Category 1 Credits™* from organizations accredited by the ACCME.

AMERICANS WITH DISABILITIES ACT AND SPECIAL SERVICES

Organizers fully comply with the legal requirements of the Americans with Disabilities Act and the rules and regulations thereof. If any participant in this educational activity is in need of accommodations, please contact the organizers at (270) 554-9412 at least 10 days prior to the conference.

KENTUCKY PHYSICIANS: HB1 QUALIFYING COURSE

The Kentucky Board of Medical Licensure House Bill 1 states that each physician licensed to practice medicine or osteopathy within the Commonwealth of Kentucky who is authorized to prescribe or dispense controlled substances within the Commonwealth shall complete at least four and one-half (4.5) hours of approved Category I Credit continuing medical education hours relating to the use of KASPER, pain management, addiction disorders, or a combination of two (2) or more of those subjects on or before December 31, 2017. The Controlled Substance Management Review includes up to 16 HB1 qualifying hours for the two-day course.

Duplication or distribution of materials or recording of lectures without express written permission from ASIPP® is prohibited. There is NO commercial support for this course.
