FROM THE COURSE DIRECTORS

On behalf of the Board of Directors of the American Society of Interventional Pain Physicians (ASIPP®), we would like to invite you to one of the most comprehensive and useful educational conferences available anywhere. The ASIPP® 2017 Comprehensive Review Course in pain medicine and interventional pain management will be held at the Hyatt Centric Chicago Magnificent Mile, in Chicago, Illinois, during the week of July 24 - 27, 2017.

This intensive and comprehensive high-quality review will assist physicians to keep updated on the Subspecialty Pain Medicine. Remember, some of these areas are not even taught in medical school and training programs. In a dynamic world, with daily changing rules and regulations, it is essential to keep yourself updated.

- A four-day review covering anatomy, physiology, pharmacology, psychology, ethics, interventional techniques, non-interventional techniques, controlled substances and practice management
- 40 unique lectures by experts in the field
- Participants can earn up to 32.25 AMA PRA Category 1 Credits™
- Extensive educational materials

We hope you will join us in exciting Chicago, Illinois, for this biennial educational event. Whether you have practiced pain medicine or interventional pain management for years, if you are new to the discipline, or if you are in training — the ever-changing field of medicine, practice management, and rules and regulations associated with these specialties makes this an essential course for you.

Sincerely,

Laxmaiah Manchikanti, MD, CEO and Chairman of the Board, ASIPP®

Ramsin M. Benyamin, MD, Past President, ASIPP®
