American Society of  
Interventional Pain Physicians

*The Voice of Interventional Pain Management*

## FROM THE CHAIRMAN OF THE BOARD AND CEO

On behalf of the Board of the American Society of Interventional Pain Physicians (ASIPP®) and the , it is our privilege and pleasure to invite you to attend this comprehensive four day Regenerative Medicine Review Course. The course will run August 18-21, 2016 in Las Vegas, Nevada at The Caesars Hotel and the state-of-the-art Oquendo Center.

This unique course is designed to prepare physicians for the ABIPP Competency Examination. It meets the continuing needs of interventionalists, based on input and needs assessment over the years and are cutting edge educational programs. It entails two days of didactic courses and 1½ days of hands-on workshops covering various aspects of regenerative medicine.

The first two days involve a comprehensive review course in regenerative medicine and hands-on with live models. These two days of course are an essential component for interventional pain physicians and provides education opportunities to assist in providing high-quality, competent, safe, accessible, and cost-efficient services to your patients. The next two days will be a Cadaver Workshop fashioned to techniques of regenerative medicine.

The course provides necessary CME credits and/or an in-depth review of interventional techniques. Participants will experience a comprehensive and intense learning opportunity focused on meeting needs at the highest level of medical education.

Whether you have been practicing interventional pain management for many years or are new to the field with basic skills, we are confident you will find this course and cadaver workshop to be beneficial, as it is essential to learn new and relevant information to survive in the new millennium.

We look forward to seeing you in Las Vegas. If you have questions, please feel free to contact the ASIPP office at 81 Lakeview Drive, Paducah, KY 42001, phone: 270-554-9412, fax: 270-554-5394, or e-mail: [asipp@asipp.org](mailto:asipp@asipp.org)

Thank you,

**Laxmaiah Manchikanti, MD**

## DESCRIPTION

You can attend this four-day Regenerative Medicine Review and Hands-on Workshop to experience a comprehensive and intense learning opportunity, focusing on interventional pain management techniques and as preparation for the ABIPP competency certification.

## TARGET AUDIENCE/PURPOSE

This regenerative medicine review course is targeted to interventional pain physicians seeking ABIPP certification, CME credit hours and introduction or review of proven interventional techniques, as well as skills improvement.

## OBJECTIVES

- Attain understanding of regenerative medicine.
- Attain eligibility for ABIPP competency certification.
- Incorporate regenerative medicine in treating your patients so that patients have better outcomes and reduced side effects.
- Provide high-quality, competent, safe, accessible, and cost-efficient services to your patients.

## PURPOSE AND TARGET AUDIENCE

This four-day, comprehensive review course and hands-on workshop in Regenerative Medicine is designed to provide interventional pain physicians with the ability to understand ultrasound interpretation and regenerative medicine. This course is an essential component for interventional pain physicians and

provides education opportunities to assist you in providing high-quality, competent, safe, accessible, and cost-efficient services to your patients.

During this four-day meeting, interventional pain physicians can improve existing skills and/or learn new skills and techniques. Participants will experience a comprehensive and intense learning opportunity focusing on regenerative medicine.

In the cadaver workshop:

- Each cadaver station is limited to a maximum of 7 participants.
- C-arms and state-of-the-art equipment are utilized in this course. Participants are requested to dress in casual attire or scrubs. Lead aprons and thyroid shields will be provided. However, participants are advised to bring their own protective eyewear.

## ACCREDITATION STATEMENT

These CME activities have been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education through the joint providership of The Institute for Medical Studies and the American Society of Interventional Pain Physicians. The Institute for Medical Studies is accredited by the ACCME to provide continuing medical education for physicians.

## CATEGORY I CREDIT

The Institute for Medical Studies designates the Regenerative Medicine Comprehensive Review Course live activity for a maximum of 15.25 AMA PRA Category 1 Credits™ and the Regenerative Medicine Hands-on Cadaver Workshop live activity for a maximum of 13.5 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.
