YOU'RE INVITED

On behalf of the Board of the American Society of Interventional Pain Physicians (ASIPP®), it is our privilege and pleasure to invite you to attend this 1 day Coding, Compliance, and Practice Management for Interventional Pain Physicians course at the Memphis Hilton. This course meets the needs of interventionalists based on input and needs assessment. The Coding, Compliance, and Practice Management course is so beneficial to practices, both office-based and ASCs, that many physicians send their staff to keep them current on the cutting edge aspects of practice management.

EDUCATIONAL OBJECTIVES/TARGET AUDIENCE

This comprehensive review course, Coding, Compliance, and Practice Management for Interventional Pain Physicians, is targeted to interventional pain and their staff to keep them current on aspects of practice management.

EDUCATIONAL OBJECTIVES

The course is intended to present interventional pain management specialists, nurses, and other healthcare providers an in-depth review of multiple areas of coding, compliance, and practice management.

- Discuss documentation for IPM
- Review practice management topics
- Discuss coding and billing
- Examine compliance issues
