Join Us!

It is our pleasure to invite you to the American Society of Interventional Pain Physicians’ – ASIPP® – 2021 Annual Meeting, COMPREHENSIVE PHYSICIAN AND PRACTICE REHABILITATION FOR THE SURVIVAL OF IPM. This 23rd annual meeting is in conjunction with the Louisiana Society of Interventional Pain Physicians (LSIPP) and will be at the Hilton New Orleans Riverside in New Orleans, Louisiana Thursday, June 24 through Saturday, June 26, 2021.

This educational program will meet the needs of physicians, mid-level providers, and staff. Coming back together for the first national IPM meeting since COVID is exciting, and ASIPP® will continue its tradition of providing the highest caliber educational program for the IPM community. This year’s educational events will include practice management, lessons learned from the financial disruptions of COVID-19, controlled substance management, regenerative medicine, interventional techniques, abstract presentations, an Innovative Summit and a strong focus on new technologies, a Resident/Fellow section for emergence into practice, and much more.

We offer an extensive practice management section with multiple intensive coding and compliance lectures. This session is ideal for physicians, but also invaluable for staff. Consider it a valuable investment for your practice. Whether you are a member of ASIPP®, or have yet to become a member, we are confident that this event will provide the information needed to help you in the evolving specialty of interventional pain management.

RAJ-RACZ DISTINGUISHED LECTURES
Presenters for these lectures will be David Schultz, MD and Laxmaiah Manchikanti, MD, Chairman and CEO, ASIPP®. Dr. Schultz is a pioneer in pain management. He began practicing interventional pain as an anesthesiologist in 1991, founded the first multidisciplinary pain clinic in Minnesota in 1995, and has more than 25 years’ experience using image-guided procedures to diagnose and treat the most complex chronic pain.

MANCHIKANTI DISTINGUISHED LECTURES
Presenters for these lectures will be The Honorable Senator Bill Cassidy, MD, Meredith Loveless, MD and Leslie Stevens, MD. Senator Cassidy, is a longtime advocate for ASIPP® in Washington D.C. He began serving the constituents of Louisiana in the nation’s capital in 2009 in the U.S. House of Representatives, and has served in the U.S. Senate since 2014. Dr. Loveless is the Chief Medical Officer for CGS Administrators’ A/B MAC Jurisdiction 15. Dr. Stevens is the Chief Medical Officer for First Coast and Novitas Solutions.

KEYNOTE SPEAKERS
Randy Alvarez, Devi Nampiaparampil, MD, and Amol Soin, MD, MBA. Alvarez is founder and host of The Wellness Hour, a program airing in more than 74 million homes each week. Dr. Devi regularly appears on Fox News, MSNBC, CNN and other national networks to discuss the latest medical developments. Dr. Soin is president-elect of ASIPP® and also serves as CEO of the Ohio Society of Interventional Pain Physicians. His leadership has been instrumental in helping ASIPP® members navigate the financial challenges created by the COVID pandemic.

We are excited to present the ASIPP® 2021 Annual Meeting in New Orleans. On behalf of the Board of Directors of ASIPP® and LSIPP, we hope you join us for one of the fastest growing and most important meetings all year. Do not miss this unique opportunity!
GENERAL INFORMATION

ACCREDITATION STATEMENT
This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of The Institute for Medical Studies and The American Society of Interventional Pain Physicians. The Institute for Medical Studies is accredited by the ACCME to provide continuing medical education for physicians.

ASIPP® is now an ABA Registered CME Provider

AUDIENCE
The intent of these courses is to present interventional pain management specialists, nurses, and other healthcare providers an in-depth review of multiple areas of interventional pain management.

- Intervventional Techniques
- Regenerative Medicine
- Spinal Cord Stimulation
- Spinal Endoscopic Decompression
- Minimally Invasive Interventional Therapies

- Innovative Technologies
- Coding, Billing, and Compliance
- The Impact of COVID
- Present and Future Healthcare Environment

OBJECTIVES
Discuss established and evolving concepts in interventional pain management:

OUTCOME
Participants in the 2021 ASIPP® Annual Meeting will learn to operate comprehensive interventional pain care centers more efficiently, so that patients will receive the best care available. They should leave with greater knowledge of interventional pain management as it applies to their patients and practice.

CATEGORY 1 CREDIT
The Institute for Medical Studies designates this live activity for a maximum of 22 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Physicians of Osteopathic Medicine — the American Osteopathic Association (AOA) accepts AMA PRA Category 1 Credits™ as AOA Category 2-B credit.

RN, NP, AND PA CREDIT
Nurse Practitioners: The American Academy of Nurse Practitioners (AANP) accepts AMA PRA Category 1 Credits™ from organizations accredited by the ACCME.

RNs/ APNs: Most State Nursing Boards accept CE activities designated for AMA PRA Category 1 Credits™ towards re-licensure requirements. Check with your board to determine whether they will accept this CME activity towards your re-licensure. This activity is designated for up to 22 AMA PRA Category 1 Credit(s)™

Physician Assistants: The American Academy of Physician Assistants (AAPA) accepts AMA PRA Category 1 Credits™ from organizations accredited by the ACCME.

AMERICANS WITH DISABILITIES ACT AND SPECIAL SERVICES
Organizers fully comply with the legal requirements of the Americans with Disabilities Act and the rules and regulations thereof. If any participant in this educational activity is in need of accommodations, please contact the organizers at 270.554.9412 at least 10 days prior to the conference.

PREREGISTRATION
For your convenience ASIPP®, will offer preregistration on Thursday, June 23 from 4:00pm-7:00pm.

ASIPP® does not permit duplication or distribution of materials, or recording of lectures associated with this conference without the express written consent of the American Society of Interventional Pain Physicians. All rights reserved.
