STATEMENT OF NEED

This comprehensive review course is planned as a CME activity to prepare for competency certification or an in-depth review in areas of Documentation, Coding, Compliance, and Practice Management. This online webinar course is based on the American Board of Interventional Pain Physicians’ specifications for competency certification examinations.

This course will provide in-depth evaluation of the knowledge of the participants with extensive review of subject(s).

As part of these comprehensive, in-depth, intense review courses, ASIPP® will provide participants with online material of the lectures.

EDUCATIONAL OBJECTIVES/TARGET AUDIENCE

The course is intended to present interventional pain management specialists, nurses, and other healthcare providers an in-depth review of multiple areas of coding, compliance, and practice management.

Educational Objectives for Documentation, Coding, Compliance, and Practice Management Comprehensive Review Course Online Webinar:

- Discuss documentation for IPM
- Review practice management topics
- Discuss coding and billing
- Examine compliance issues

OUTCOME

The Documentation, Coding, Compliance, and Practice Management course will educate you on how to operate an interventional pain care center more effectively, so that patients will receive the best care available.
